

End-Time Pilgrim

A scripturally based devotional guide into the 70th Week of Daniel and the climactic final 7 years of this age.

The Olivet Discourse.

"The disciples came to Jesus privately, asking, 'Tell us, when will these things be? And what will be **the sign** of your coming, and **the sign** of the end of the age?'" -[Mat.24:3](#)

They still come to Him privately today, with the same two questions. And for those to who have ears to hear He answers, - **privately.**

THE SEVEN FEASTS OF ISRAEL AND THE HEBREW CALENDAR

The Fall Feasts and Daniel's 70th Week.

The first two Fall Feasts are yet to be fulfilled. They will encompass the 70th Week of Daniel and initiate and terminate the final seven years of this age.

A future 7 year time span going from Tishri to Tishri with 86 moons will stake out the final seven years of this age.

Major Discovery #1

The Fall Feasts of Israel stake out the final 7 years of this age.

The final seven years of this age, a period of **1260 days + 1290 days** or **2550 days** is staked out precisely by the first two of the **Fall Feasts of Israel** In 2003 this author discovered that when the seven year Tishrei to Tishrei time span is 86 moons in the **Metonic cycle**, (and not 87 moons) and when we begin counting out the days from the Hebrew new year, Rosh Hashanah, or the **Feast of Trumpets** considering this Tishrei 1 date as day #1 and then count out into the seven year or 86 moon plus 9 day time span which is 2549 days beyond that we come to **day**

More Than Dreams

For decades, a phenomenon has been recurring in the Muslim world. Men and women – without any knowledge of the Gospel and without any contact with Christians – have been forever transformed after experiencing dreams and visions of Jesus Christ. Reports of these supernatural occurrences often come from "closed countries" where preaching the Gospel is forbidden and where converting to

Christianity can invoke the death sentence. A common denominator appears to be that the dreams come to those who are seeking to know and please God. A wonderful movie/DVD has been made of five of those individuals. Each found themselves drawn through a strait and difficult gate and into glories they could not have imagined. Please consider sending a donation to a very worthy but underfunded mission in Africa. Light Evangelism Ministry (LEM) is a faithful,

well run, and very fruitful mission operating in war torn and Ebola ravaged Liberia and Guinea. You can see what is happening over there if you go to the [LEM YouTube Channel](#)

Brother Neh-kewon (Mark) Dahn and his wife Eunice are from Liberia. They established the ministry in 1989. As the civil war began they were forced into exile across the border in the Ivory Coast. There Brother Mark taught himself French and during 7 years he worked as a construction foreman, pastored a church, and worked with SIM. I met Mark in 1999 when he was over here in the US completing his Biblical studies at Pensacola Christian College. Mark lives close by and we have worked closely together ever since. I am the board chairman of the mission and we have some very wonderful board members which include 2 ministers, two physicians and some very enthusiastic and gifted people committed to advance the mission for the glory of God. The Light Evangelism Ministry was incorporated in the US as a 501-c3 ministry in 2005. Our

Major Discovery #2

The Day of Atonement will be the last day of this age..

The [Day of Atonement](#) is not appreciated for what it is. It is the last day of this age. This Yom Kippur of all the Yom Kippurs that have gone before it is grand central station to the End-Time. It is the '[Last Day](#)' of this present evil age. Atonement for sin is a legal matter. And as a legal matter this final [Day of Reckoning / Day of \(Blood\) Covering / Day of Accounting / Day of Reconciliation](#) will see Messiah as High Priest bring the ultimate blood covering upon the mercy seat for all the saints, both the living and the dead. Only then can the harvest angels be released to execute. At sunset space-time will unzip and the heavens will be rolled back on the [Day of the Lord](#). The angels of wrath will then pluck up the wicked, gathering them as tares or weeds and bundling them up to be burned in the everlasting fires of Hell. After this and on a day and hour unknown, [the Elect](#) will be glorified in the [Resurrection-Rapture](#). Messiah will then sort out the mortals that remain in the [Sheep-Goat Judgment](#). Then He will establish His 1,000 year Millennial Kingdom here on earth to the praise of men. See [this YOU TUBE video](#), or [this POWERPOINT](#) or [this PDF File of that same PPT](#).

Israel's Missing Jubilees; - Found!

Israel's missing Jubilees have been found!

The [70 Weeks Prophecy](#) are ten 49 year Jubilee cycles of 490 Biblical years and they take us right through to the climax at the very last day of the age. The ten Jubilees are neatly gift wrapped up in those 490 Biblical years, the seventy sevens, the time God has "determined" for His Holy City and His holy people. The [70 Weeks Timeline](#) has been "determined" or "cut out of time" by God for dealings with **all** His covenant people from both houses of Israel. See [Daniel 9:24](#). From [Daniel 9:27](#) we see that there are seven years remaining out of those 490 years. The Seventy Weeks of Daniel ends in spectacular fashion, as we might expect, with that long awaited epic Jubilee of Messiah.

See [this YOU TUBE video](#), or [this POWERPOINT](#) or [this PDF File of that same PPT](#).

financial statements are readily available and soon to be put up on the website. The mission runs on a shoestring. Brother Mark and his family live on a very limited salary and in very humble circumstances. Over 70% of the funds raised actually go to West Africa to support the mission.

Here in the USA Brother Mark serves with LEM seeking ministry partners and raising support for the ministry among the churches. Meanwhile, in West Africa a network of committed native pastors and evangelists are being assisted by LEM in their ministry. The past ten years have seen over four thousand saved. The mission campus east of Monrovia includes a guesthouse, a school with 160 students, dormitories for orphans, and a clinic. This last year saw the foundations laid for a church. There is a Jesus Film outreach and Children's Bible conferences. Many are being nurtured in the faith and churches are being planted in the hinterlands as well as across the borders in Guinea and the Ivory Coast. Widows and orphans of the civil war are being helped and medicines are being dispensed. The mission performed a life-saving food distribution program during the recent Ebola crisis. After 15 years of internal conflict there are many amputees. 550 wheelchairs have been shipped. Half of them have been assembled there in Liberia by the vocational arm of Light Evangelism Ministry. However we need more funds to distribute them to those who really need them desperately in the back country.

After 15 years of civil war the roads in Liberia are impassable in the wet season. Native evangelists and pastors are actually using the bicycles and the motorcycles LEM has provided to share the Gospel. An orphanage and orphan support has been wonderfully assisted by people on our board. When the roads are passable the two Toyota Tacoma pick-up trucks we sent in are carrying the evangelistic crew and the equipment for the "Jesus film" to be shown in villages deep into the back country of Liberia. Through it all hundreds of lasting commitments are being made to Jesus. Bibles are being provided and new believers are being nurtured in the faith.

This is a faithful mission. For those called to be stewards of the Kingdom of God this a very good investment with eternal rewards. [Welcome to the Pilgrim Pathway!](#)

An introduction to this website.

NEW (and important!) ● [Yom Teruah](#)

This is the Biblical name for the [Feast of Trumpets](#) or [Rosh Hashanah](#). The word **'Teruah'** is [Strong's Hebrew word #H8643](#) and it is a **big new lead** for those interested in Bible prophecy and the Feast of Trumpets. The word Teruah in Hebrew is absolutely **loaded** with some very telling connections which give meaning to this very important upcoming feast, moed, or divine appointment. [33 Biblical references to the word 'Teruah'](#) are just sitting there in the KJV waiting for us to search and study them out. These verses have not yet been explored! No one is talking about this awesome mother-lode of Biblical info yet. Why not? Lets get on with it! Let's do our homework people! Here are two YouTube videos to get us started. They are [Yom Teruah, the Teruah, and the Teruah shofar blast](#) and this one, [Yom Teruah, the day of shouting and the day of blowing of trumpets of alarm](#).

[The True Blood Moon of the Apocalypse](#)

This year, 2015, will see the second year of a lunar eclipse tetrad that will darken the full moon of Passover and Tabernacles. The lunar eclipses have been called "blood moons". This is very unfortunate. Why? Because it cloaks and obfuscates the true blood moon of the apocalypse and the other two accompanying cosmic signs, that of the darkening of the sun and the constellations with stars falling. These epic cosmic signs will last 30 days right at the climax of this present era. The true and genuine apocalyptic blood moon will be seen right up to the last day, the [Day of Atonement](#) at the end of this present evil age. All three cosmic signs will be seen right up to the opening of the [Day of the Lord](#).

['Paradise Road'](#)

An prophetic and exhortational poem of the end-time drama inspired by [Hebrews 12:1,2](#) and the film, [Paradise Road](#).

NEW ● [The Anabaptist Legacy of the Amish and Mennonites and the End-Time Witness of the Saints](#)

The Anabaptists were ahead of their time. The tumultuous history of central Europe in the 1500's drew them into a radical separation from the Church-State politics of this world and to holiness before God. They rejected of the sword of the flesh and took up the Sword of the Spirit, God's Holy Word. This is the legacy they have handed to us, the Biblical Christians of the West, as we come to the climax of the age.

[The Seventy Weeks of Daniel: An Extensive Biblical and Astronomical Study](#)

Daniel's Prophecy of the 70 weeks is an an important key to Bible prophecy. The [Edict of Artaxerxes Longimanus](#) given to Nehemiah on the new moon of Nisan in the springtime of 445 B.C. faithfully fulfills the Biblical criteria to fire the starting gun for the '70 Weeks Prophecy'. The solar and lunar cycles can accurately mark off the 173,880 day of the first segment of 69 weeks to arrive on the 10th day of the Nisan moon in 32 A.D.. This day was [32 A.D.](#) 4 days before Messiah is "cut off". He was executed on Passover. On that very day Jesus rode into Jerusalem on a donkey, precisely as Zechariah had

"God's Outlaw", William Tyndale, translated the Bible into English whilst in hiding within the evangelical merchant communities in Holland Germany, and Belgium. Here is a [YouTube trailer](#) of this wonderful film. For years Tyndale was hunted down by agents of King Henry VIII and the state-licensed Church of England the king established. Tyndale was eventually betrayed by a mole, a double agent sent into Europe by the Bishop of London. Put on trial on a charge of heresy he was condemned and imprisoned. In October of 1536 he was garroted and burned at the stake. Crucial Church-State lessons we never thought we would ever have to learn are brought to light in this superb video for the end-time pilgrims.

The Swiss and German Anabaptists:

The world was not ready for their message. And they were not prepared to compromise. See [this short YouTube video trailer](#). The stand they took during the horrific and bloody Reformation Wars in their refusal to swear oaths of allegiance to political

powers or to allow their children to be conscripted into Catholic or Reformist armies often cost them their lives. Their rejection of the sword was quite different from the church-state view embraced by the Roman Church, the Reformers, and the now dominant [Anglo-American Puritans](#). This was truly radical Christianity. Their affirmation of the Kingdom of God in their Christian communion and community life is still seen today in Amish and Mennonite church life. It will be seen again in the [70th Week of Daniel](#), the final 7 years of this present age. This dramatic and superbly produced video addresses the crucial subject of "the cross vs. the sword" and the issue of "political protection vs. spiritual preservation". Western Christians will face this fork in the road as they come into the end-time drama.

prophesied. ([Zech. 9:9](#)) This was the first and only official public and **political** appearance of Jesus as "Messiah the Prince". It was the [Palm Day](#). This 10th day of Nisan, 32 A.D. marked the terminus of the 69 weeks. In #7 of this series of articles [and YouTube videos](#) we present the NASA lunar calculations confirming the remarkably accurate findings of 19th Century evangelical Scotland Yard Inspector [Sir Robert Anderson](#). Here online is in his book '[The Coming Prince](#)'. A minor two day variance over 476 odd years is of no consequence. We are looking here at a confidence level of 1 in 100,000 or 99.999 % accuracy. Daniel's prophecy clearly indicates that one 'week', the [70th Week](#) of the Seventy Weeks prophecy is still most certainly out there in our future. This climactic future seven year timespan will mark the [final seven years of this age](#).

NEW [The Future 70th Week](#)

A faithful diligence in the study of [Daniel's 70 weeks prophecy](#) will show that there is a future 70th Week. It is the final seven years of the prophecy and the [final seven years of this age](#). And yes, some blockbuster issues will be addressed by Christian believers in this coming time period. There is to be an end-time witness of the saints, an [End-Time Revival](#), and a full and complete [Restoration of All Israel](#). A host of marvelous mysteries are yet to be unveiled and revealed before men and angels. Unfortunately established churchianity does not want to hear about this. Those into [Dominion Theology](#) think that Christianity can take over the world and establish the [Kingdom Now](#) without Messiah needing to return to do it. So a raging sea of [religious disinformation](#) is being thrown against [Daniel 9:27](#). And a resurgent [preterism](#) is trying to make the truth of a [future 70th week](#) "go away".

[Daniel's vision of the ram and he-goat](#)

The prophet Daniel saw the attack of the he-goat upon the ram. The story begins with the campaign of Alexander the great into Medo-Persia. It continues with the Seleucids and the King of the North out of which comes the little horn. Then the story gets personal. It grabs us, takes us "back to the future", and compels us to face things we do not want to hear about.

NEW [The Wheat and the Tares](#)

The Parable of the Wheat and the Tares was a prophecy of the end-time harvest taught by Jesus. As incredible as it may seem, certain people, the seed of heaven, and the seed of the devil, will be gathered off the face of this earth in the coming awesome [Day of the Lord](#). He said that the tares, (the followers of the wicked one), would be plucked up **first**. See [Mat. 13:30](#). The harvest of the wheat, the Good Seed sowed by the Son of Man will then follow. The children of the Kingdom, will go up in [\(the Resurrection-Rapture\)](#). See [1Thes. 4:15,16,17](#). Does this mean that the righteous, (the wheat in the parable), will actually **see** the wicked being carried off kicking and screaming by their angels, those evil angels of wrath? Will the righteous "see the reward of the wicked" as spoken of in [Psalm 91:7,8](#)? And since the harvest is an **execution** of that preceding finalizing legal matter, the epic [Day of Covering, the Last Day Judgment, the Day of Sentencing, \(the Day of Atonement\)](#) when must we conclude that this two-fold harvest will occur?

[The Deliverer is Coming!](#)

The ending scene of the movie "The Searchers" starring John Wayne is a classic. It illustrates many elements of the return of Messiah as the Breaker. Here is the movie clip along with some reflections on the coming of the Deliverer.

Many evangelicals are now turning against Israel and laying charges against the Jewish house. In view of our situation in Western Christendom this is hypocritical and judging before the

time. Just as we accuse the Jewish house of being the compromised and partially blind company we in Christendom are compromised and partially blind to our situation as well.

NEW ● [The Gifts of the Holy Spirit in the coming Tribulation](#)

Many Fundamentalist Christians are declaring the gifts of the Holy Spirit are not for today. They say that these gifts ceased with the first Century Church. But are they being deceived, even manipulated? Is it possible that we shall NEED these gifts as we face the challenges that lie ahead? Are not the nine gifts and nine graces an essential part of the equipping, part of the spiritual armory of the saints for the end-time witness in the latter days?

NEW ● [The Post-Tribulation Rapture and HITLER!](#)

After many years of presenting Biblical truth about the end-time scenario it seems that most Biblical Christians in the West do not open their Bibles. Instead they listen to and are hypnotized by teachers who teach a comfy Pre-Tribulation Rapture, a [doctrine of desertion](#) that is without any Biblical foundation whatsoever. Perhaps we in the Western nations are indeed [tricky Jacob](#) after all. So, what to do? Perhaps a parody, a spoof, might help?

[Appeal to Heaven!](#)

This was the standard and the ensign raised at America's beginning. The same *Appeal to Heaven* will go up in times to come, not just from the heartland of America but also from the heartland of Israel and all the nations of Western Christendom.

[A Place of Refuge during the Tribulation](#)

There are many scriptures indicating that there will be a place of refuge during the coming storm, the [Great Tribulation](#). We know that this is first and foremost a spiritual place of communion in God. But will there also be a physical place of refuge away from the 666 economic system during those [final 3.5 years of this age](#)? The prophet Micah spoke of this in [Micah 2:12,13](#). And the apostle John wrote of this in [Rev. 12:6,14](#). And before the Holy Scriptures were written the ancient patriarchs pieced together this glorious end-time story in the names and in the layout of the stars in the constellations. Nimrod's agenda at the Tower of Babel was to pervert God's celestial Message. And so [the Mazzaroth](#) was twisted by profane ambitious humanistic men to become what we see today, the horoscopes of the Zodiac. The latter day gathering and the end-time deliverance of [the Elect](#) is outlined for us in the constellation of the [Lesser Sheepfold](#), the ancient name for the Little Dipper or Ursa Minor. This must be a huge epic end-time exodus involving perhaps tens or even hundreds of millions of people. So, where will this place of refuge be? It cannot be Petra, a small canyon of rock caves in Jordan. It is far too small. And logistically this confined space would be a death trap in this age of fuel bombs and poison gas. And Petra is situated right in the war zone of the latter days. No, the [Mystery Bozrah](#) must of necessity be a much bigger and safer place. Poetic Bible prophecy suggests that (mystery) Bozrah, the place Messiah visits on His return as we see in [Isaiah chapter 63](#) will be out at ['the ends of the earth'](#).

NEW ● [The Coming Year of Jubilee.](#)

There is a lot of speculation about the coming Year of Jubilee. Biblical Christians are beginning to understand that the Jubilees are exclusively linked to the Seventy Weeks Prophecy. See [this YouTube video](#). The [Seventy Weeks Prophecy](#), a time segment of 490 years, is stated by the Holy Spirit to begin with seven sevens or 49 years. This is a Jubilee cycle. And the 490 years of the Seventy Weeks is a perfect match for exactly **ten** 49 year Jubilee cycles which indicates its terminus will

'The Lady of Shalott'

She only knows of Him in a mirror's dim reflection, and in her tapestry images. Her true love and beloved, the one betrothed to her, has become a fading memory. A classic and tragic poem of a woman beguiled by a worldly champion who draws her away from her bridegroom, the one to which she is betrothed. She has lost contact with Him and no longer really believes he will return. Similarly the established western church no longer trusts the scriptures which clearly prophesy that her promised Messiah will return. This poem is a spiritual dream-escape and a prophetic warning being expressed within the literature of our culture. Is the Lady of Shalott a prophetic showcasing of our worldly ecumenical Western church today as she slowly and sadly drifts down the river towards Camelot/Babylon in a tragic departure from the faith?

'The Man from Snowy River':

The Coming Time of Jacob's Trouble.

A wonderful Biblically based and Israel faithful article warning against the anti-apocalyptic [harlot](#), [Kingdom Now](#), and [dominionist](#) mindset that is sweeping through the Church today. Many are saying that Israel and the Church will be brought into their final Millennial glory by the present day religious, ecumenical, political, and military powers. Art Katz refutes this. He shows from the scriptures that there will clearly be another [scattering](#) and a final regathering of YHVH/God's covenant people in the latter days of this age. Israel as we see it and discern it today and the Church will **both** enter into the Apocalypse. come right on a Jubilee. But that is not all. The trumpets of Jubilee are sounded on the [Day of Atonement](#). Furthermore, we now have evidence from our studies of the [Fall Feasts of the Lord](#) that the Day of Atonement as a matter of legal necessity must precede and usher in the [Day of the Lord](#) which will see the execution of God's wrath and His deliverance. This final Yom Kippur, (Day of Covering), will come at the end of 1260 + 1290 or [2550 days](#). So Yom Kippur, the Day of Atonement, will come into its New Covenant fulfillment on the very [Last Day](#) of this present evil age. All of this indicates that there is an epic future Tishrei 10 Hebrew calendar date out there somewhere in our future. It will come at the end of a future seven year time span, the [70th Week of Daniel](#). On this awesome future [Day of Reckoning](#) the trumpets will sound. The heavens will roll back and space-time will be drawn aside as a curtain to reveal the return of Messiah in the [Day of the Lord](#). The angels of wrath will specifically and personally pluck up the wicked. Then, after the gathering of these tares [the Elect](#) will then be caught up in the [Resurrection-Rapture](#). The [Jubilee Year of Messiah](#), the first year of His [Thousand Year Millennial Kingdom](#) will have just begun.

The Seven Feasts of Israel

are also known as the [Feasts of the Lord](#), or the [Jewish Holidays](#). Seven Hebrew Holidays were instituted by God. Four of them have already been fulfilled. Three more are yet to come. And they will. They will erupt into holy history to realize their New Covenant fulfillment during those climactic final seven years of this age, the [70th Week of Daniel](#).

The Fall Feasts of Israel

The next two feasts due to come up for fulfillment and erupt into holy history are the [Feast of Trumpets](#) and the [Day of Atonement](#). This author has discovered that these two Fall Feasts when they are placed seven years apart and include 86, (not 87), moons stake out 2550 days. This is precisely the time span encompassing the future 1260 + 1260 day [70th week](#) of Daniel plus the 30 day extension that reaches out beyond the 70th Week to include the [1290 days](#) spoken of by the angel Gabriel to Daniel and given to us in [Dan.12:11](#). [1260](#) + 1290 = 2550 days. For certain seven year spans up ahead it is a perfect match!

The Feast of Trumpets

The 5th feast is still unfulfilled. On some epic future Rosh Hashanah the trumpets will sound the alarm. Why? What will have happened? The mirror article is [Rosh Hashanah's Final Fulfillment](#)

The Day of Atonement

The 6th of the [7 Feasts of Israel](#) is still unfulfilled and up there in our future. It appears that this awesome holy-day on the Jewish calendar being that final **Day of Reckoning** is a key piece to the jigsaw puzzle of end-time Bible prophecy. This ultimate day of legal closure, **Day of Reconciliation of Accounts**, and the Messianic **Judgment Day** is grand central station to the end-time drama. This future epic **Yom Kippur** or **Day of Covering** will surely come. For the wicked it will be a **Day of Sentencing**. For the justified it will be a **Day of Pardoning** and an invitation into the glory. Very appropriately **That Day** will erupt into holy history on the very [Last Day](#) of this present evil age. As the sun sets on **That Day** the harvest angels will loosed to **execute** that Judgment.

The Last Day

There are many references in Holy Scripture to the **'Last Day'** or **'That Day'**, singular. It is very last day of this age. And as we are now discovering, it will be the ultimate blockbuster [Day](#)

crucible of the End-Time. The terminus of the Great Tribulation will see the emergence of the [single Elect](#). The Tribulation Saints, refined as gold, will be heading up the parade of the saints of all ages. (See [Rev. 20:4-6](#).) **All** of the saints will enter into the glory **together!** - by Art Katz

The Jezebel Spirit

Here on PDF format is a superb article on the Jezebel spirit, what it is, and its history as showcased in Scripture. Control over others is through witchcraft, which by definition is an illegitimate authority exerted over others by means of intimidation and domination as well as seduction and manipulation. The legitimate authority God has established is crushed in order to set up in its place the Luciferian Kingdom of **Self**. Christian compromise and entanglement with this spirit will be the basis of the end-time [Harlot Kingdom](#) John saw in [Revelation 17](#). See also [this chart](#) The article points out where the Jezebel spirit is operating through people in our society today. The author is someone named Eddie.

Lifted Up on Eagle's Wings

This short story tells of a God who intervenes into human history. He does it in miraculous ways, moving heaven and earth and even seas for the ones He loves. When His covenant people are being pursued by an overwhelming enemy it may seem that there is no hope. Their backs are against the wall. Behind them is the encroaching enemy. Before them is a raging sea of death. But then, something happens. And wonder of wonders, they find a Way of Deliverance opening up before them. This short personal narrative bridges the time gap from the Red Sea crossing to the future events that will occur at the climax of the age. There is a point of commitment. Then we discover that we are being invited into a serendipity. It is a Wonder, a happy surprise, a glorious hope. The author is David G. Sloss.

A WARNING CONCERNING THE "PURPOSE DRIVEN LIFE" DECEPTION

An online e-book offered freely to the saints by Tamara Hartzell. It seems that the "Purpose Driven Life" movement while it has blessed many also has its dark side. This time it is Evangelicals who are being drawn into Ecumenism and a movement that amounts to "church unity through compromise". Our Greco-Roman religious philosophies and mind-games know no bounds. Our religious fads have gone from **Positive Thinking** to **Possibility Thinking** and then on to **Positive Confession**. The present fad, continuing the "P" tradition is the so called **Purpose Driven Life**. Man-centered religious humanism based upon Hellenistic Greek logic is again being sold to the church masses as something holy, which it is not. We are getting reports that the Purpose Driven Life movement is going into churches and expelling church members who

[of Atonement](#). It will also be the day of sounding the trumpets to announce the [Year of Jubilee](#). At sunset space-time will roll back to reveal the returning Messiah, (the One who stretched out the cosmos in the first place), as He comes in the [Day of the Lord](#). After the gathering of the wicked as tares, See [Mat. 13:30](#)), [the Elect](#) will then be gathered, raised up, caught up, changed "in the twinkling of an eye" in the [Post-Tribulation Resurrection-Rapture](#).

Blood Covenant Christianity

The New Covenant is a blood covenant relationship between Christ and His church. Are we merely passive recipients of this great salvation? Or is the love of God drawing us into the vital and essential role of witness?

versus the

The Post-Tribulation Rapture

Which one is Biblically correct? Most of us have heard the pre-tribulation rapture thesis expounded many many times. But is it true to God's Holy Word? Here is 'the rest of the story'.

The End Time Revival

Evangelical Christians are being demoralized by a babel of religious disinformation. One terrible lie is that the Holy Spirit is [the Restrainer of the Antichrist](#) of 2Thes. 2 and that He, part of the omnipresent Godhead no less, will be "taken out of the way" during the final 7 years of this age. So essentially they are saying that God by His Holy Spirit will vacate His own cosmos and desert His own covenant people during their very time of need, during their time of witness in the latter days. This is a major ecclesiastical dispensational error. This grievous falsehood needs to be renounced, and pronto! The Holy Scriptures tell us an entirely different story. The prophet Joel, Hosea, and many others spoke of a coming Holy Spirit outpouring of massive proportions that will power up right through the [3.5 Harlot years](#) and the 3.5 years of the Great Tribulation that follow. Even as many are deserting the faith in a [Great Apostasy or Great Falling Away](#) and right on through the dramatic events of [the final 7 years of this age](#) this Holy Spirit outpouring will continue. 2600 years ago the prophet Joel saw the peak of this awesome End-Time Revival as one might view a distant mountain. He saw the peak of this (true and genuine) [Latter Rain](#) during the cosmic disturbances of the 6th seal with the sun turning to darkness and the moon to blood. This means that the epic future Holy Spirit outpouring will come to a climax precisely when we might expect it to occur, just as Messiah returns, and right at the very end of this age!

The First Resurrection and the Tribulation Saints.

The Tribulation saints we see in [Revelation 20:4-6](#) are featured members of the First Resurrection. Do these martyrs head up the parade of all the saints of this age? Or do they make up the entire company of the First Resurrection?

uphold Biblical faith, Biblical doctrine, and the Way of the cross. In his book the leader of the movement is actively and purposefully shooing Christians away from the Holy Scripture as they relate to vital issues of the End Time. Once again establishment churchmen are trying to block out Biblical truth as it relates to the critical task of [preparation of the saints in the latter days](#). This is a grievous action being taken against God's Holy Word, against His Holy People, and against His Holy Spirit. Christians will one day be going up to witness in the [end time drama](#). To see the saints being denied God's faithful Word on the critically important matter is a travesty. The sheep of God's pasture are not being fed the milk and meat of God's Word. Instead they are sold the usual empty pods of religious motivational hype, psychobabel and a syrupy mishmash of [disinformation](#) about the end-time. Christians are not being properly informed concerning their vital role of witness at [the climax of the age](#). Churchgoers are left as foolish virgins, unprepared for the coming darkness. The midnight hour will surely come. And in the gathering darkness when the lamps are sputtering many will find themselves [without the oil](#) and at the point of burnout. A coming [Great Apostasy](#) is out there in the future. (2Thes.2:3) Western Christians are not being prepared in the Holy Scriptures and in the Holy Spirit. This "cloaking" and "coralling" of the Word of God by the "purpose driven movement" is a harbinger of the coming [harlot religious system](#). In times to come many Christians will be spiritually unprepared. In the hour of trial many will not be able to stand. They will deny the faith. There will be a [Great Falling Away](#). A Church that denies and withholds Biblically correct information on the returning Christ is leaving the saints ill-prepared and without a sound foundation in the true and genuine faith of our fathers. [Corrie Ten Boom](#) has warned us about this very thing. Christians in the West still slumber on their beds of ease and luxuriate in their dreams of personal glory, self-esteem, material prosperity in this world, and a coming [World Dominion by a Church Universal and Triumphant](#) and this **before** Messiah returns. True Christians are with a Biblical world view have a more sober perspective. They are responding to the high calling in Christ. This is a "purpose" that is far more glorious than anything ecumenical churchianity can offer. The true saints are waking up. They are preparing themselves spiritually. They know that the hour is late!

[Rebuilding the Church from the Ground Up.](#)

by Mike Molyneux of New Zealand. When faced with the compromising Church we see in the West today we have no other option. With the Holy Bible open before us and the Holy Spirit as our Guide we must start over from the beginning. Quite clearly this is now our mandate. "If the foundations are destroyed what can the righteous do?" (See [Psalm 11:3,4](#)). Is this [restoration of the foundations](#) happening now among [God's Chosen Elect](#)? Is God calling out a new "Ekklesia", a new Church, a new "called out assembly"? Oh yes. Has He not **already** called for new wine-skins, ([Mark 2:22](#)), even as the **true** New Wine is to be served from [Joseph's table](#) in the latter days?

understandable in the historical context. But what is the root cause of that lifelong malignant **raging** form of anti-colonialism? We answer that question here and in the following article.

[The DEEPER Root of Raging Anti-Colonialism.](#)

Mr. D'Souza has done a wonderful work of political elucidation here. But we must go down to the deeper spiritual level to find out what really motivates all this **raging**. Those with a Biblical world view recognize that dark angelic principalities and powers are at work here. They stir up certain people to despise and bring down Western Christendom. Why are they doing this? Is this just "radical politics"? Or is this anti-Western hatred really a hidden attack directed at the **Judeo-Christian faith** of the West? Depraved men and their dark angels are raging. Why? Are we seeing the end-time raging of the heathen that King David saw 3,000 years ago? He wrote a song about it; - see Psalm 2. Do godless men rage because their own dark angels are pulling their strings? Are these evil powers trembling in fear and dread of [a certain Judgment](#) under the soon-coming Messiah? And even as they rage in anger can they really hope to forestall [their impending doom](#) by waging a campaign of terror against the saints? Can they really prevent the covenant people of God from going up on the stage of history to bring in [the end-time witness](#)?

[The Edomites of Today: Who are they? And where are they?](#)

The ancient left-over blessing of Isaac upon his son Esau is almost never spoken about by our dispensationalist Bible prophecy teachers. But its prophetic fulfillment with the latter day dominance of the earthy Edomites in the rich nations of the West is now being seen as our Western culture descends into godless paganism. And in the [Bozrah prophecies](#) the return of the latter day spiritual children of Esau is an important part of the end-time drama.

[The Restoration of Israel.](#)

Is this the salvation of the Jewish family at the end of the age? Quite so. But there is more. And born-again Christians, (who consider themselves "gentiles", a name which means "heathen"), are in for a big surprise. Are they part of this great end-time restoration of Israel? Oh yes.

[NEW Desert of the Nations: Wilderness of the Peoples](#)

A special destination and gathering place for the saints during the Great Tribulation which is during the latter half of the [70th Week of Daniel](#), (the final 3.5 years of this age), is described in [Ezekiel 20:33,34,35,36,37,&38](#). What will go on there? And do we know where this place might be?

[Who Will Be Left To Populate The Millennium?](#)

This question is often asked of those who believe there will be a [Post-Tribulation Rapture](#). If the Elect are glorified and the wicked damned then who will be left at the end of the age to populate the earth during the ensuing Millennium? Is there a third group of mortals left? The answer is 'yes'. The key issue here is a third party or "second order covenant". We see this showcased very dramatically in the [Sheep-Goat Judgment](#).

[The Sabbath Rest](#)

The Sabbath is the fourth commandment. We correctly see it as a law for Israel in the Old Covenant. But could the Sabbath also be a New Covenant experience to be entered into by God's grace? Might it also be a personal invitation to draw aside from the labors and cares of this world and to enjoy a time of rest

Two House Theology, (or true Israelology)

This article lays out the Biblical case for the two houses of Israel. It describes their calling and purpose, their past history, and their future history as they come together under Messiah. The Scriptures are clear. God fully intends to use them in the dual witness of the latter days and reunite them into a single undivided Elect. During the end-time drama they are to become that "royal priesthood and holy nation" Moses and the Apostle Peter both spoke about.

A message from [Luke 21:19](#). As we come into the trials of latter days it will not be our might, our power, our politics, or our military that will prevail. Rather it will be through the graces, the fruits of the Holy Spirit, prominent among them being the fruit of **Patience**, that the end-time witness will be completed. Patience will be the main recourse and strength of the Elect in those days to come. From [Revelation 3:10](#) we see that "keeping (or preserving), the Word of His Patience" is a vital key to the end-time witness, and with it the final victory of the saints. All the glory for this will be going to God. This article was written by my friend from Germany, Markus Reins.

and fellowship with God?

The Rapture of the Church

When Christ our Messiah glorifies His covenant people into new spiritual bodies at the end of this age the righteous dead will come out of their graves. Then we who are alive and remain will be "caught up" with them in an event of great wonder called the Rapture. When is this Rapture event? The answer is easy. It can be tagged from the well documented timing of the Resurrection of the righteous dead.

The 24 Elders

In Revelation chapter 4 John is transported in vision to the Lord's day, or the Day of the Lord. John sees wonders related to the events attendant to the unzipping of the Newtonian space-time cosmos as Messiah returns. There he sees the 24 elders. Who are these? Are they "The Church" as we have been told? Or are they 24 elders as the Bible states them to be. So just who are these 24 men?

Israel and the Church. Restored as One!

Dispensationalist (splitters) are keen to separate off Israel from the Church. Their end-time fantasies are of a Jewish nation '[Left Behind](#)' even as they, the established evangelical church, misbehaves like a [Runaway Bride](#), balks at the [blood covenant commitment](#), and [raptures themselves out](#) seven years before the end of this age. Reformed Theology (lumpers) are quite correct in their insistence upon a single Covenant. But unfortunately in the absence of a viable Scripturally based Israelology in their seminaries they are often inclined to slip-slide into Augustine and Origen's Replacement Theology which says that the Church has replaced (and displaced) Israel. This Replacement Theology is bad news. It has thrown up bloody [anti-Semitic histories](#) over the past 1700 years. It is also linked to [Dominion Theology](#), crusades, church sponsored inquisitions, and helped foment a reactionary secularism in the political parties of both nationalist and international socialism. Replacement Theology is still nestled in many of the older denominations. It needs to be renounced ASAP! But throughout the Holy Scriptures the God of Israel always speaks of [one Elect](#). He draws one [Chosen People](#) to Himself. The Seed of Abraham flows above the DNA and it comes in by faith and not by race. So at the end of the age we see a remnant Israel including a saved remnant of the the royal Jewish House of Judah, and a remnant church drawn from all nations, races and tribes. This final remnant Elect will be reunited as a restored and fully regathered [Commonwealth of Israel](#). The [Breach of Jeroboam](#) will be healed. And Israel's family feud will end. The Jews will be saved, the [lost ten tribes](#) found, and the two estranged houses of Israel will be cross-linked together as a [single Elect](#), even the "royal priesthood and holy nation" Moses and the Apostle Peter both spoke about. ([Exodus 19:6](#), [1Peter 2:9](#)) All these mysteries will unfold in the future [end-time drama](#) as the [Fall Feasts of Israel](#) erupt into their New Covenant fulfillment and into world history.

Who Are The Chosen People?

Who are God's Chosen People? Are they the Jews? The Church? Does YHVH-God have two Chosen Peoples? Does He have an 'apartheid policy' for His Elect? The Holy Scriptures, as usual, give us the answer. Because from cover to cover the Bible only speaks of [one Elect, one Chosen People](#). So if all of God's covenant people are destined to become a single Congregation/Church/Synagogue and a single nation then how will this great and epic re-union and restoration occur? And when? And by whom?

SHORT STORIES

& The Constellation Andromeda

"The woman" is showcased throughout Holy Scripture. We see her in the Garden of Eden and her Seed is prophesied to crush the head of the serpent. ([Gen. 3:15](#)) In the book of Hosea she is the wife of YHVH-God, and like Gomer, the wife of Hosea, she is inclined to forget her true Husband, the God of Israel and get into a world of trouble. But all is not lost. In the prophecy of Hosea she is eventually purchased in a slave market and wonderfully restored. In the book of Revelation John saw the woman in great travail and tribulation and yet entering into her glorious destiny at the climax of the age. He saw her in travail and delivering the man-child. She is clothed with the sun, the glory of her Father. The moon, with her reflected Light, is under her feet. She is crowned with a garland of 12 stars. John saw her under attack by the dragon but saved and delivered at the end. The heavens are telling this very same awesome end-time story in the constellation of Andromeda.

The Commonwealth of Israel.

Does it Include the True Church?

In Ephesian 2:12-13 our Apostle Paul states that Christians were once heathen, lost and without hope, and outside the Commonwealth of Israel. But now, in Christ, they have been brought nigh. Does this mean that true Christian believers are now **inside** the Commonwealth or citizenship of Israel? And if so, then what are our responsibilities in this citizenship? Are we to be witnesses to Messiah before kings and rulers as we come into the dramas at the end of the age? ([Luke 21:12](#), [Mark 13:9](#))

Biblical or Prophetic Time

Daniel's prophecy of the [70 weeks](#) and other Bible prophecies sees God dispensing time to us from His heavenly throne in terms of 'years' and 'months'. How many days are in the "Biblical year"? And how many days in a "Biblical month"? The Bible gives us two Rosetta Stones, as it were, for Biblical or prophetic time. One is in Genesis 7 and the other in Revelation 12. When we answer these two questions correctly we find that this key Bible prophecy, [Daniel's prophecy of the 70 Weeks](#), emerges from the fog and opens up to us.

The Jewish New Year

and a False Messiah It appears that a future Jewish New Year, a future [Feast of Trumpets](#), will erupt into holy history in spectacular fashion. It will be the occasion of the confirmation of the seven year covenant or sovereignty sharing treaty of [Daniel 9:27](#). Israel and the nations of western Christendom will sign on with a global peacemaker. He will turn out to be the false messiah. On that day the watchmen of Israel will be sounding the trumpets of alarm and calling all of God's covenant people to sacred assembly. The [final seven years of this age](#) will have just begun. The mirror article is [Rosh Hashanah; Beyond the Traditions](#).

Who Are Daniel's People?

Daniel's [Prophecy of the 70 weeks](#) provides vital information concerning the end-time. The angel Gabriel said "Seventy Weeks are determined", (or cut out of time), "for **your people**". Since one week, (or seven), of [Biblical years](#) still remains then this is a key end-time prophecy. Who then, are Daniel's people? Are Christians in the loop here? Or should we consider "Daniel's people" to be "just the Jews" as we have been told? When we answer this question correctly and responsibly we enter into a dark night of the soul. We find ourselves face to face with the cross of Christ in a very personal

The Post Tribulation Resurrection-Rapture at the Last Day"

'Resurrection', 'rapture' and 'last day'. Here we have a three piece jigsaw puzzle. Let's connect these three pieces together using the relevant scriptural passages. Behold! What do we find?

Moses's Prophecy of the Latter Days

3500 years ago Moses in the 'Song of Moses' brings a word of warning concerning a **Future Tribulation** and a word of encouragement to God's covenant people. Would this include us as Christian believers? Oh yes!

'Left Behind', or 'Dereliction of Duty on the High Seas'.

Are we in the western church entertaining notions of deserting? This sea story from Acts 27 packs a powerful lesson concerning the virtues of patience and loyalty. It involves the shipwreck of our Apostle Paul.

Because "the testimony of Jesus is the Spirit of prophecy." ([Rev. 19:10](#)) And it is in [this devotion](#) that end time Bible prophecy opens up to us in all its wonder.

End-Time Preparation

Many are asking about preparation for the End-Time. Is there a physical preparation beyond our spiritual preparation? And might God have made **His** preparations to care for His Elect in the latter days? If so, how?

The Gate of Joseph

and the Evangelical Witness Joseph was given a coat of many colors, persecuted by his brethren, thrown into the pit, and sold into slavery. There at the house of the Chief Executioner of the Egyptian World Order of that time he resisted the seductions of Potiphar's harlot wife. Thrown into prison he became the interpreter of dreams, even the king's nightmare of a looming reality, a [seven year period of famine and great trial](#). Hiding his identity until the emergence of his brother Benjamin our Joseph fed the world the Bread of Life. Then when Benjamin came he fed his brothers portions from his table. The Evangelical family are a scattered persecuted people of many colors and flags. They too have been and will be persecuted unto the death. 500 Evangelical Christians die every day. And yet in spite of all this they feed the world the Gospel of the Living Christ, the sinless [Unleavened Bread of Heaven](#) the Bread of Eternal Life. Biblical Christians also bring interpretation to the [70th Week of Daniel](#), those future seven lean years that bring us to the climax of this age. If Joseph's sons Ephraim and Manasseh are two prominent English speaking nations, recipients of the birthright of whom the patriarch Jacob said, "these two will be mine" who then is Joseph? Who is this Joseph company who are alienated and separate from their brethren? Who are these people who feed their brethren portions from a table set apart and consecrated? Who is this mysterious House of Joseph, this company with the bloodstained coat, (or covering), of many colors (or flags)?

A Parable of Ten Virgins

This parable carries an informative and inspiring message for pilgrim Christians. At some point the leading lights of western Christendom will begin to sputter and approach burnout. As Jesus tells the story the whole bridal company is slumbering in the deepening darkness. The hours drag on towards the midnight hour and their lamps are beginning to burn low and grow dim.

Suddenly, the midnight cry is heard.

The Bridegroom is approaching!

It is time to go out to meet Him.

Now the unfolding drama has become very very personal.

causes us to prepare our hearts with all diligence and devotion in blood covenant commitment towards our Lord Jesus Christ. The other does not.

[The Order of Melchizedek](#)

The dual offices of Melchizedek as High Priest and King are in Christ our coming Messiah. He will unite the Kingdom, (in the Throne of David in Judah), with the Priesthood, which is wrapped up in the ministerial Gospel burden of the Church. The Kingdom, (in the returning repenting refined remnant of the Jewish house of Judah in Israel), will be reunited with the refined remnant Church. "And so all Israel shall be saved." This epic and glorious re-uniting of both houses of the former Greater Israel, will heal the breach of Jeroboam. And the two sticks Ezekiel saw will become one. ([Ezek. 37:15-28](#)). Messiah will achieve all this as He refines the gold in the crucible of the end-time drama.

[The Two Witnesses](#)

John saw the two witnesses on earth during the final 3.5 years, 1260 days of this age. ([Rev. 11:2](#)) They were described to him as two olive trees. Are they just two men, say Elijah along with Moses or Enoch? Or is there more to the story? Might the two witnesses relate in a broader way to the climactic end time witness of the Kingdom of God on earth by the royal (Jewish), House of Judah in Eretz Israel and the priestly ministry of the Church, the wider Commonwealth of Israel throughout the world in the Gospel? When is the Resurrection of the righteous dead? Popular Bible prophecy teachers avoid the question like the plague. Because the Resurrection is securely nailed down to the "last day". ([John 6:39, 6:40, 6:44](#) and [6:54](#)) And the "First Resurrection" we see in [Rev. 20:4, 20:5](#), and [20:6](#) includes the tribulation martyrs. The Resurrected saints are also part of the [single Elect](#) gathered by angels "after the tribulation" in the midst of the 6th seal cosmic signs of a darkened sun and bloody moon. So the Resurrection is clearly a post-tribulation event. Paul tells us that the Rapture is attached to the Resurrection. ([1Thes.4:15, 4:16, & 4:17](#)) So the Rapture must be a post-tribulation event as well.

[The Breach of Jeroboam](#)

Before the 4th Century Rome used an 8 day week, labeled A to H called the Nundinal cycle. A new seven day week was crafted at the Council of Nicaea in 325 A.D. The Roman powers at Nicaea set forth their 7 day weekly cadence and the 7th day Saturday we now have installed in our current Roman solar / Perpetual calendar. The Jewish sage Hillel II, undoubtedly under Roman pressure, followed with the very same 7 day cadence with the calculated Hebrew Calendar he established under the Roman authorities in 359 A.D.. [The Root Cause of Anti-Semitism or The Origin of Anti-Semitism](#)

Jesus Christ comes to minister and also to rule. Even now He is being enthroned in the hearts of His people in the gentle bonds of Agape love. After the [Second Coming of Messiah](#) the Throne of David will be established upon this earth. Messiah will both **minister** and **reign** in righteousness in the [two offices of Melchizedek](#) for a thousand years. This is the coming [Millennium of Messiah](#). The spirit of Belial, or rebellion, hates and loathes His coming **rule** with a passion. (See King David's song in Psalm 2.) So a hidden spiritual war is being conducted against the Throne of David which is inside the Jewish House of Judah. Evil powers, angelic and human, are targeting Jews, Israelis, Evangelicals, and all who bear testimony to the future rule of the Lion of the Tribe of Judah, Yeshua Hamashiach our coming Jewish Messiah. This is the root cause and the essential essence of all anti-Semitism. It is a seething hatred against the **rulership** of the coming "Son of David". This is the real reason for the raging of the Gentiles, the (heathen), against Israel and Jews. This hostility against the Throne of David and the loathing of the message of Messiah's Second Coming is purveyed by wicked men agitated by their dark angels. Their hatred is quite understandable. These ruling powers are short timers. They are in stark terror of the pending judgment they are about to face with the coming of Messiah. This is the quintessential root of all Anti-Semitism whether it be the carefully cloaked acts of high government officials, high church dignitaries, or the more blatant and brutish outrages committed by skinheads and neo-Nazis. The word "Anti-Semitism" is clearly an obfuscation. It is a smokescreen hiding something else. The word is a misnomer designed to mislead the unwary. "Anti-Semitism", at its heart, is really "anti-Throne of David-ism" or "Anti-Messiah-ism". It is, in fact, the "anti-Jewish", "Anti-Judah" arm of the spirit of Anti-Christ.

The name 'latter rain' has been claimed by a dubious religious movement. It was declared to be heretical by the Assemblies of God in the 1950's. The Latter Rain movement, which is linked to [Dominion Theology](#), is back. It is carnal, compromised, and now more powerful than ever. Celebration is part of the character of our God. And He celebrates big. At the Marriage Supper of the Lamb He gathers with all His covenant people. All the saints will be there in a joyful reunion. The glory of this consummation is beyond our powers to describe.

[Loving God, and the](#) [Discerning of End-Time Truth](#)

Is there romance in the last days? It seems that John, the writer of the Book of Revelation, was the apostle of love. And the love of God's covenant people for their coming Messiah is the key to understanding end-time truth. Only in that devotion and in that love-walk of grace and obedience will they understand just what is happening at the climax of this age.

[Beauty and the Beast](#)

The quintessential element of the end-time drama is the final conflict between the Eternal Covenant, a devotion to God in Christ, and a coming 7-year peace treaty/covenant with a self-worshipping Luciferian peacemaker, a false messiah who will later be 'revealed' to become the 666 Antichrist. For many in Christendom and many in the nation of Israel it is unclear at present just who they will end up following. This conflict of devotion, (and its climactic resolution), is what the coming [Great Tribulation](#), and the [End-Time Revival](#) (which comes with it), is all about.

[The Puritan Dream](#) [and 'Manifest Destiny'](#)

They sailed from England with a dream. Their Puritan vision was for the New World to be a 'nation under God' and a light to the world. [The Hidden Roots of](#) [Raging Anti-Colonialism.](#)

medieval Roman Church embraced Dominion Theology it eventually took us on into the Crusades. Later the Church in Spain embraced Dominion Theology and it brought us the Spanish Inquisition. Jesuit dominionists took over the Church in France during the 1500's. They were the ones who orchestrated the [St. Bartholomew's Day Massacre](#) and "sanctified" the subsequent bloody persecutions against the Protestant Huguenots in France. Jesuit Cardinal Richelieu became prime minister of France and laid siege to the Huguenots at the siege at La Rochelle. The overly powerful French Church became spiritually compromised and debauched. This led on to the secularist backlash of the French Revolution. France then got the [Reign of Terror](#), a police state, and the Napoleonic Wars. Even dear Great Britain embraced Dominion Theology in the late 19th and early 20th century. This was even as the proud British Empire covered one quarter of the globe. And what happened then? The Titanic struck an iceberg in an unusual way and sank. Two World Wars with Germany filled in by the Great Depression followed. The once Great Britain was brought down. Dear saints. [The Sheep Goat Judgement](#)

There will be a judgment of surviving unsaved mortals at the end of this age. Messiah will judge the sheep from the goats. The sheep and the goats are unsaved. Perhaps over a billion of them are children. The living mortals are heathen gentiles. They are still outside the covenants of Israel. Judgment for Millennial entry is based on evidence of a second order blood covenant relationship with Messiah. Neither the sheep nor the goats are in direct covenant with Messiah. But the sheep are shown to be in an **indirect** covenant with Christ. And why? Because they ministered blood covenant lovingkindness to His friends, the saints in their time of tribulation. On this basis the returning Messiah selects them out as His sheep. They are issued a passport for entry into the [Millennium of Messiah](#).

[The Bozrah Deliverance](#)

The Second Coming of Christ in the clouds is well known. So is His Second Coming on the Mount of Olives and His divine judgment on the armies of the nations threatening Jerusalem and mustering in the Valley of Armageddon. [The Metonic Cycles and](#) [the 70th Week of Daniel.](#)

A new book on Anti-Colonialism by Dinesh D'Souza has provided a new perspective on political character. In this article we go deeper than politics to reveal an important root cause of the raging anti-colonialism that stirs up people to hate the West, or more specifically, to hate the the Judeo-Christian Messiah who is the God of the West.

The metonic cycle in which an extra month of Adar is inserted before the month of Nisan 7 times every 19 years in a certain cadence is used in the [Hebrew Calendar](#). This provides valuable information about an upcoming seven year time span known as the [70th Week of Daniel](#). The author noticed that for those future seven year spans with 86 moons the two [Fall Feasts of Israel](#) that are coming up for fulfillment happen to stake out with total precision the 2550 days encompassing the [final seven years](#) of this age. Is this a coincidence? Probably not. Is this info helpful to us? Yes it certainly is. We should keep a very close watch on events in Israel during the **fall (autumn) season** of each year. The epic future 7 year peace treaty, the future [7 year covenant](#) of [Dan.9:27](#), will involve the handover of God's sovereign territory in the Holy Land of Israel. The deal will probably be signed on a future dark and moonless night, the new moon of Tishrei, Rosh Hashanah, the [Feast of Trumpets](#), and the Jewish New Year. A dreadful and yet awesome day will have dawned. The trumpets will be blowing in earnest. And the [70th week of Daniel](#), the final seven years of this age, will have just begun.

[The French Revolution compared with the American Revolution](#)

The 18th Century saw two revolutions against monarchies. The American Revolution embraced the Reformation, and honored the Holy Scriptures. A significant portion of America's citizenry was under the inner discipline of a personal faith in God. The French Revolution was quite different. Huguenot reformers in France had been exterminated and Biblical Christianity driven away leaving a debauched Roman Church in France with blood on its hands. When the French Revolution came it flat-out rejected the Christian faith in favor of a humanistic state secularism based on 'enlightenment' and 'reason'. The American Revolution embracing Biblical Christianity and personal faith was characterized by peace and stability and

spawned a great nation. The other Revolution over in France led to barbarism and the "Reign of Terror". Is this spiritual dimension to history being taught in our schools and colleges? And if not, why not?
