Greetings to all and welcome to this excursion into Bible prophecy. In this video we shall establish the fact that *Yom Teruah*, otherwise known as, the *Feast of Trumpets* or *Rosh Hashanah* is an epic future day of ALARM!

Here do a Ken Burns pan and crop of Sleeping Beauty, then the alarm going off.

Let's start with the Scripture passage in which God establishes *Yom Teruah*. This is laid out for us in *Leviticus 23*. In the original Hebrew the term for the Feast of Trumpets or Rosh Hashanah is *Yom Teruah* which means "*Day of Blowing*", (as of shofars). So the name for the holiday, (and a vital key to our understanding of the Feast), comes from the word *Teruah*. Our narrator is Alexander Scourby.

Leviticus 23

24. Speak [1696](#) unto the children [1121](#) of Israel [3478](#), saying [559](#), In the seventh [7637](#) month [2320](#), in the first [259](#) [day] of the month [2320](#), shall ye have a sabbath [7677](#), ***a memorial*** [2146](#) of ***blowing*** [8643](#) of ***trumpets***, an holy [6944](#) convocation [4744](#).

25. Ye shall do [6213](#) no servile [5656](#) work [4399](#) [therein]: but ye shall offer [7126](#) an offering made by fire [801](#) unto the LORD [3068](#).

So the Feast *Yom Teruah* is named for the Hebrew *word Teruah* . Leviticus 23 is the first passage in the Bible in which the Hebrew word *Teruah* is found. In this passage God establishes His holiday, the *Feast of Trumpets* or *Yom Teruah*. And here the word *Teruah* is translated as the word “blowing”, and by implication, “blowing of trumpets”.

Leviticus 23

24. Speak [1696](#) unto the children [1121](#) of Israel [3478](#), saying [559](#), In the seventh [7637](#) month [2320](#), in the first [259](#) [day] of the month [2320](#), shall ye have a sabbath [7677](#), **a memorial** [2146](#) of **blowing** [8643](#) of **trumpets**, an holy [6944](#) convocation [4744](#).

25. Ye shall do [6213](#) no servile [5656](#) work [4399](#) [therein]: but ye shall offer [7126](#) an offering made by fire [801](#) unto the LORD [3068](#).

The word *Teruah*, Strong's #H8643 carries with it other meanings as well. One of them is *“alarm”*. But there are many more. As a matter of fact the word *Teruah* is opening up for us a plethora of encouraging clues about that future fulfillment of *Yom Teruah*. This is a big Eureka moment. And we have only just begun to explore these wonderful new leads.

Teruah

Strong's

Blowing, (as of trumpets)
Shouting,
ALARM!,
Joyful sound,
(assoc. with) Tumult.

It seems the word Teruah speaks of a great inspiration realized in the expression and in the hearing of various anointed sounds that go out to Him from His covenant people. We

know that He inhabits the praises of His people. This includes the blowing of trumpets, the shout of exaltation in God, and the clashing of cymbals. All of them are or can be exaltations in the Spirit of God and attended by certain fruit of the Holy Spirit called *joy*.

The *Teruah* is now beginning to be appreciated as a wonderful rich array of sounds, a multi-faceted expression of joyful exaltation in God. When these various sounds and musical expressions are anointed by the Spirit of God His divine inspiring Presence descends down upon the ones who hear them in a very powerful way we might describe as electrifying.

From what we have seen in our previous video of the Fall Feasts of Israel and the Timeline of the final 7 years of this age it is now beginning to become clear that a future *Yom Teruah* will *open the gates* into the final 7 years of this age. This future day to remember will feature a blow-out expression of *Teruah*, even as God's covenant people are ushered into their time of trial and witness.

Yes, the *Day of the Teruah, Yom Teruah* is slated to be an earth-shaking event.

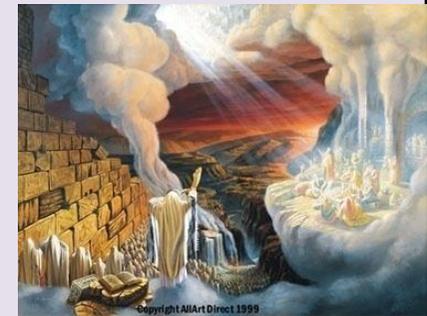

This fact is yet to be appreciated by Christian and Messianic believers. This future day of *alarm* will *open the gates* into the final 7 years of this age.

Judgment Day

Down through the history of Israel there have been ***four classic shofar blasts***. Each of them has a special character. From ancient times they have served as important signals sent to the covenant people of God. Each of these trumpet sounds carry within them a special meaning, message, and purpose. And the third one of the four is called ***the Teruah***.

1. The Tekia

2. The Shevarim

3. *The Teruah*

4. The Tekia Gedolah

It is the *Teruah shofar blast* that gives *Yom Teruah*, the *Feast of Trumpets*, its name. When we listen to the *Teruah* as a musical statement the element of *alarm* and of *awakening* is quite prominent.

YOM TERUAH

or

*FEAST OF
TRUMPETS*

As we saw in the previous video the word *Teruah* does not mean trumpet. Rather it is a divinely energized communication of remembrance back and forth between God and His covenant people. The Teruah is the inspiration in the sound that comes with the blowing of the trumpet, the shout of exaltation, the clashing of cymbals, the joyful noise, etc. This rich and varied array of inspiring sounds are all expressions of Teruah. They release streams of great anointing from the God who inhabits the praises of His people and rejoices over them with singing.

The Teruah

The Trumpet

The Shout

The Joyful Sound

The High Sounding Cymbals

The Teruah is a musical statement. These ***sharply detached staccato notes*** have been used in ***heraldry and bugle calls*** to gather the people, to inspire, and to direct a response to an encroaching enemy. The Teruah brings a powerful spiritual exhortation to the human soul.

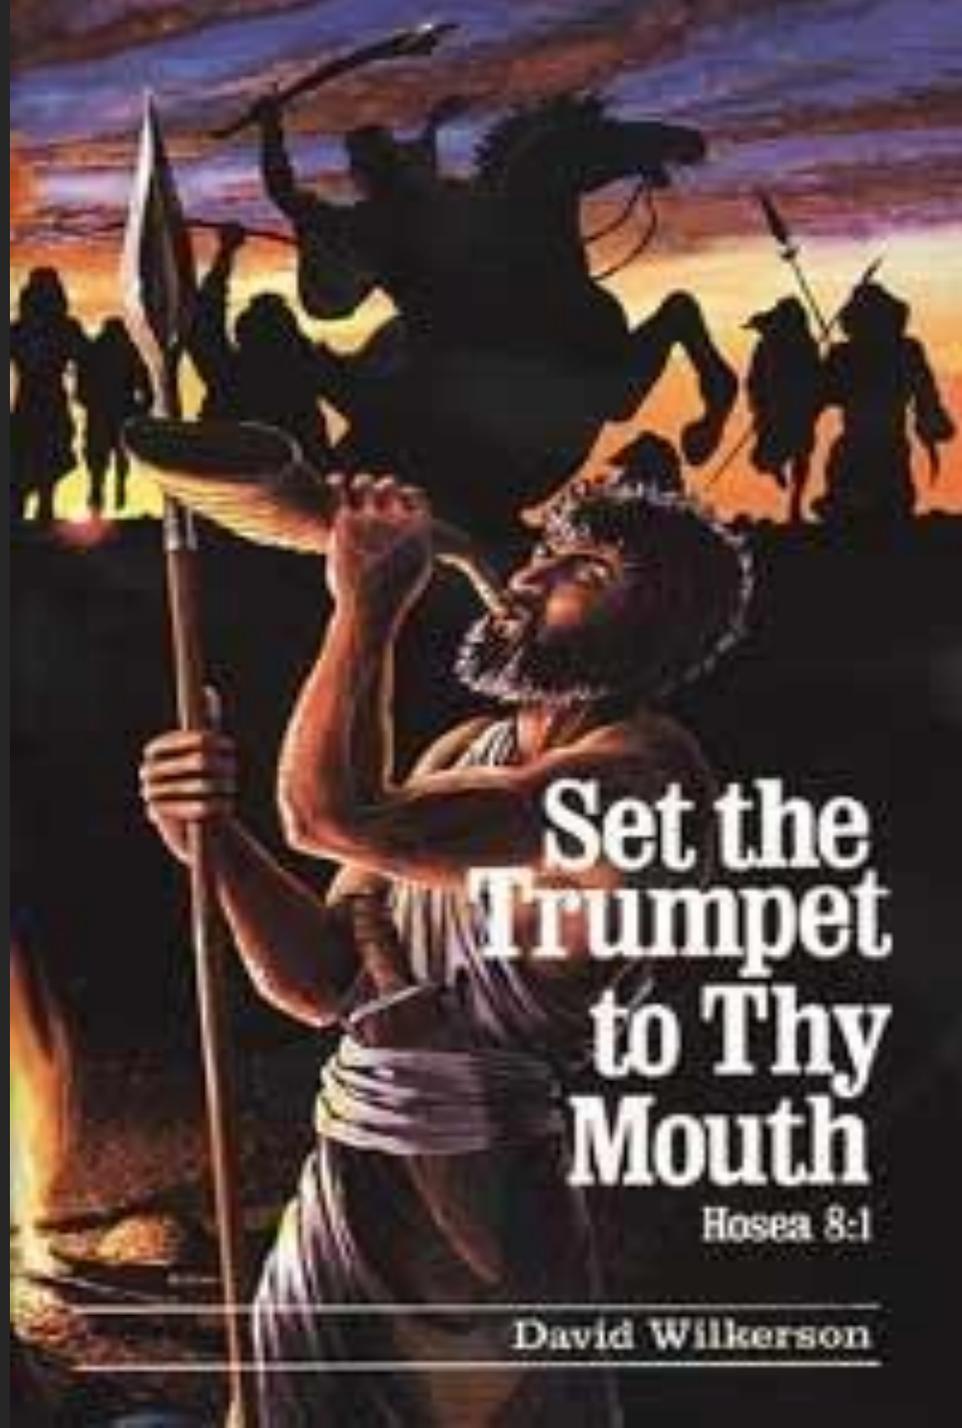

YOM TERUAH

**“Blow the Shofar in Tziyon
for the Yom/Day of יהוה is near”**

Joel/Joel 2:1

The staccato blowing of the shofar, is anointed by God to alarm, to wake up, inspire, and to assemble His covenant people in a time of crisis. This is another one of those vital keys that are now helping to unlock much of the mystery of the *Yom Teruah*, the *Feast of Trumpets*.

Set the Trumpet to Thy Mouth

Hosea 8:1

David Wilkerson

The opening of the 70th Week of Daniel, the final 7 years of this age, will be a fearful time. So the inspiring sounds of *the Teruah* will strengthen the faith of the Elect at that time. And when they hear those wonderful anointed sounds on that awesome day they will be blessed and respond in faith rather than in fear.

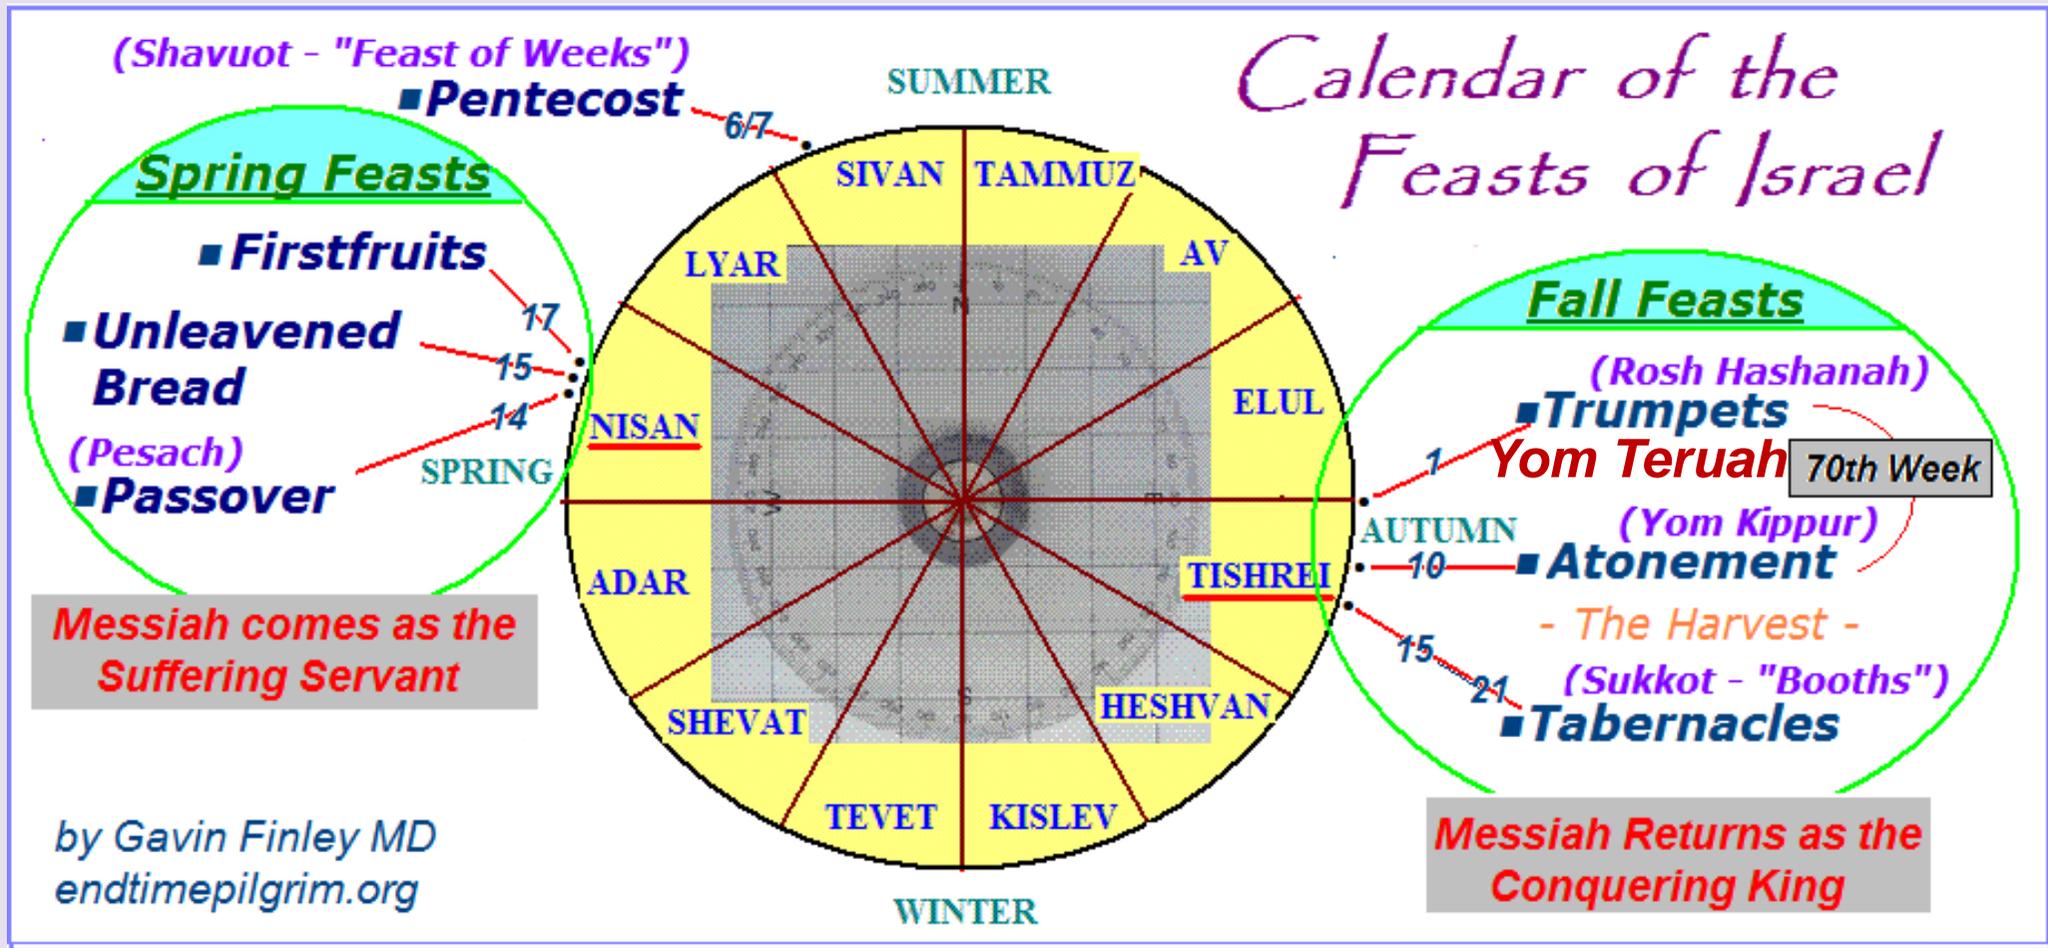

***Feast of

***Yom
Teruah***

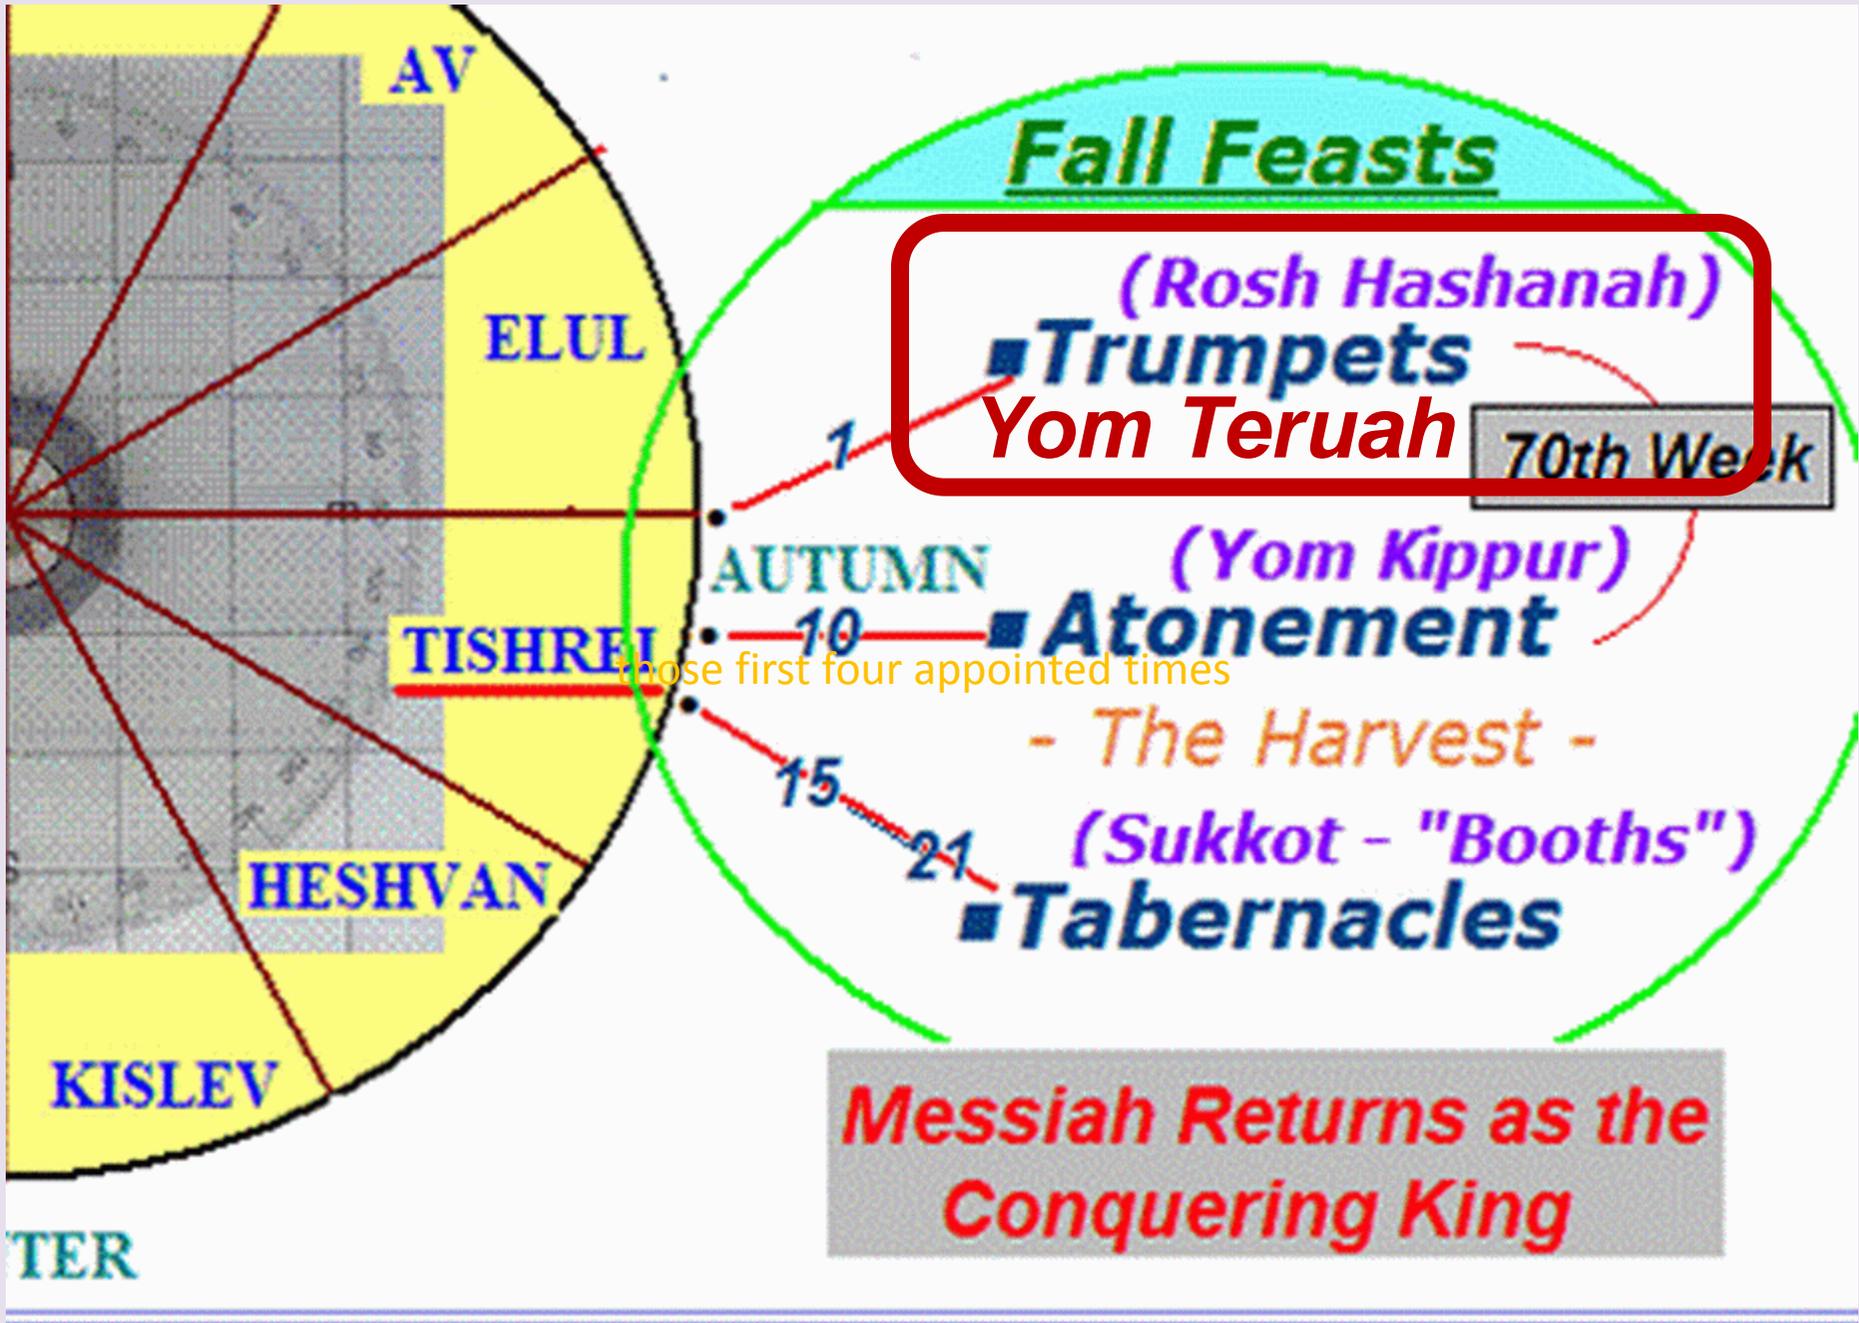

By way of review here are the ***Seven Feasts of Israel*** laid out on the Hebrew calendar. The three yet to be fulfilled ***Fall Feasts*** are over on the right. It seems God has laid out His agenda quite clearly for His people. And many who love and respect the God of Israel are now starting to pay attention to what He is showing us. These are the Holy Days our God Himself established. He set them forth for us right at the very beginning.

THE FIRST FOUR FEASTS HAVE BEEN FULFILLED. THE THREE FALL FEASTS ARE NOW AWAITING FULFILLMENT.

Yom Teruah, the *Feast of Trumpets*, is beginning to get a lot of attention these days. It is very next divine appointment, moed, feast, or Holy Day slated to erupt into holy history and world history. And when it does it will shake this world and its people to their foundations.

Let's listen now to these four shofar blasts. Here they are as presented on a YouTube video. And notice the sharp staccato sound of the third shofar blast, *the Teruah*.

(Here insert video of the blowing of **the Four Shofar Sounds**.)

1. The Tekia

2. The Shevarim

3. *The Teruah*

4. The Tekia Gedolah

As we can appreciate, *the Teruah* is quite different from the last shofar blast, the great *Tekia Gedolah*. That final long steady all-encompassing trumpet blast grows louder and louder to end in a note of closure and finality. We'll talk about the climactic blowout sound of the great *Tekia Gedolah* and how it relates to the *Last Trump* in a other video.

1. The Tekia

2. The Shevarim

3. The Teruah

4. ***Tekia Gedolah***

Now lets listen to the Teruah one more time. So there in the stirring staccato notes of the *Teruah* shofar blast we can appreciate that this is *an alarm*. We can discern the same stirring staccato notes in the bugle call *Reveille* a French word meaning “wake-up!” This is used by the armed forces to wake up military personnel.

Here sound the REVEILLE

Now lets take another look at the ***word Teruah*** in Holy Scripture. Does the Hebrew word ***Teruah*** carry with it the meaning of ***alarm?*** The Hebrew Lexicon brings us a brace of synonyms for the word ***Teruah***. And yes, along with words like ***blowing, shouting, sound, noise,*** and ***joy*** we do see the word ***ALARM.***

Teruah

Strong's
H8643

Blowing, (as of trumpets)
Shouting,
ALARM!,
Joyful sound,
(assoc. with) Tumult.

By way of review here are some of the 33 passages in the King James Version where the word **Teruw-ah**, Strong's #H8643 is used. Scanning through the list the word ***Teruah*** seems to indicate an alarm of war with an awakening expressed in the blowing of trumpets, shouts of exaltation, clashing of the high sounding cymbals, and the joyful noise of praises lifted up to God.

The Hebrew word **TERUAH** signifies **REVIVAL & EXALTATION!**

Lev. 23:24 “the **blowing** of trumpets.”

Num. 10:5 & 5 “**blow** an alarm.”

Num. 23:21 “the **shout** of a king.”

Num. 29:1 “the **blowing** of trumpets.”

Jos. 6:5 “a great **shout** and the wall will come”.

2Chr. 13:12 “priests with **sounding** trumpets to cry alarm.”

Ezr. 3:12 “the foundation laid, .. many **shouted** aloud for joy.”

Psa. 27:6 “I will offer, ..sacrifices of **joy**, ...I will sing praises.”

Psa. 33:3 “sing .. a new song, .. skilfully with a loud **noise**.”

Psa. 89:15 “Blessed are the people who know the **joyful sound**.”

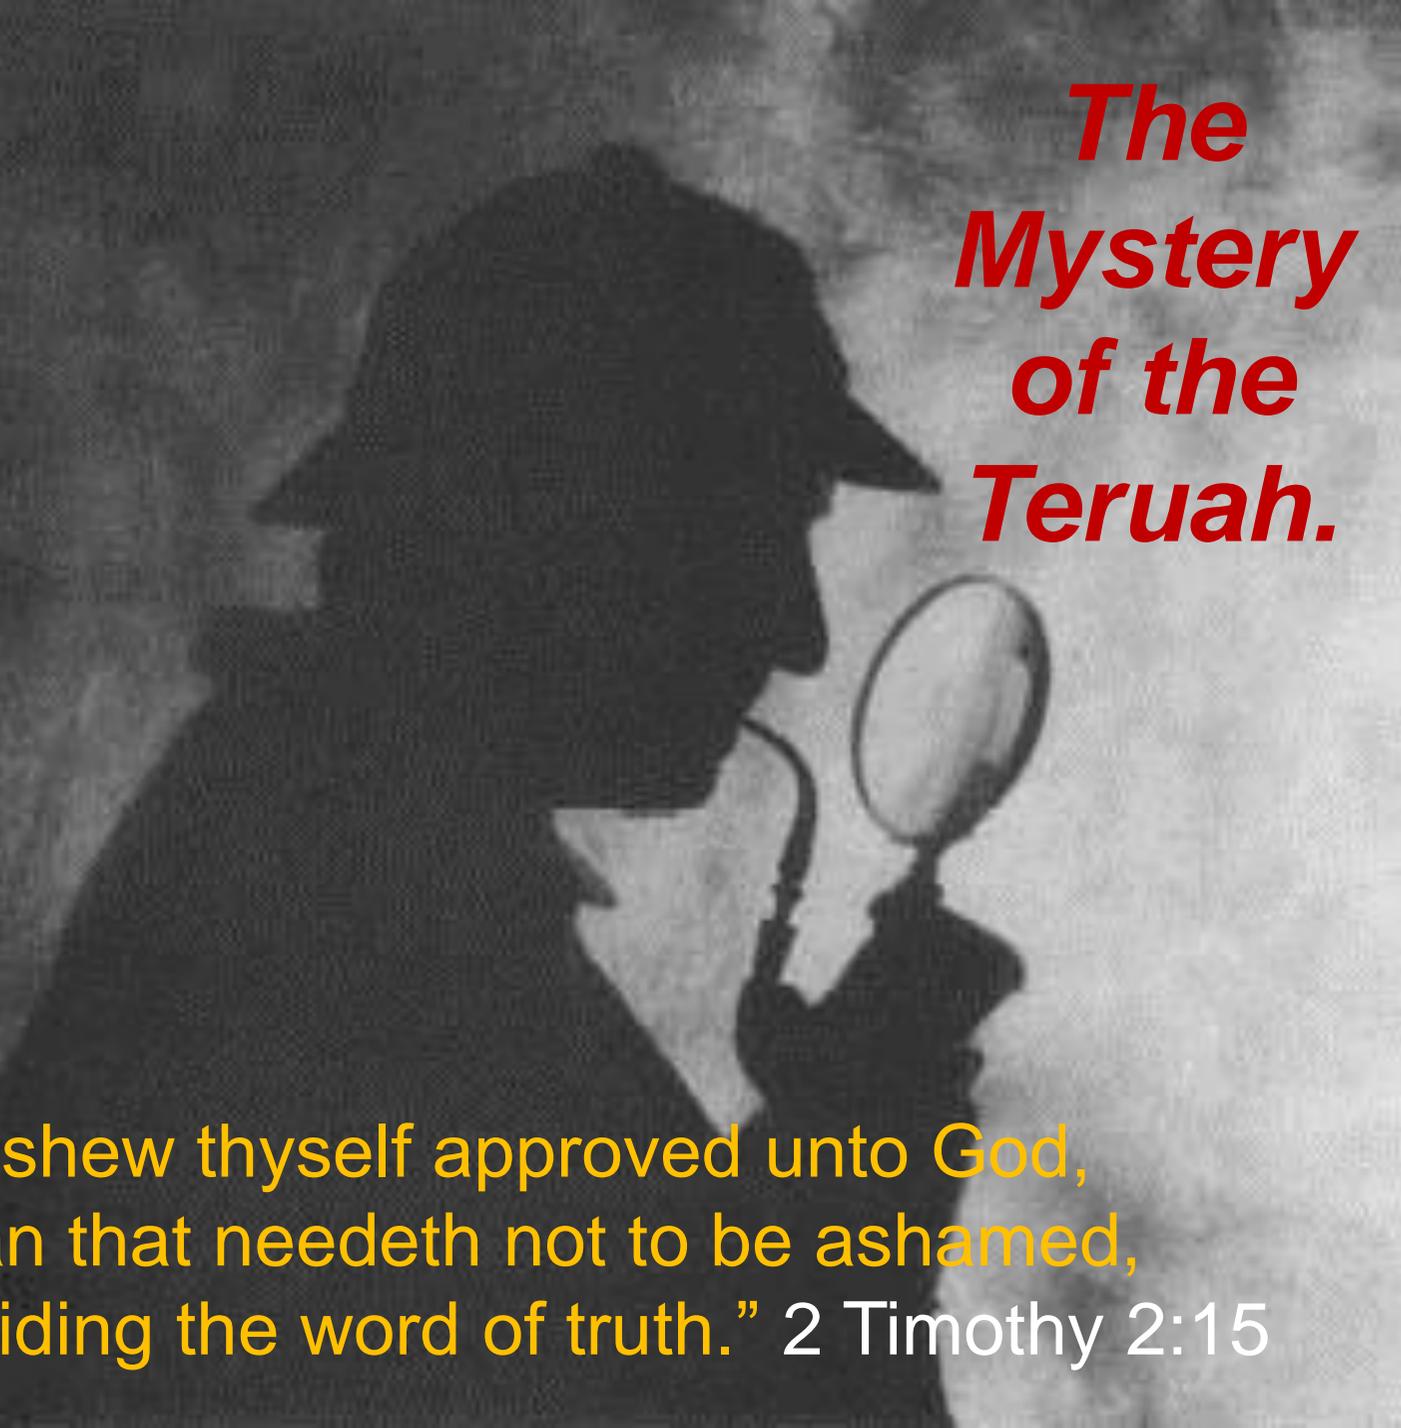

Psa. 150:5 “praise Him upon the high **sounding** cymbals.”

Jer. 4:19 “the sound of the trumpet, the **alarm** of war.”

Amos 2:2 “Moab shall die with tumult, with **shouting**,”

Zep. 1:16 “the trumpet and **alarm** against the fenced cities,”

Christian and Messianic believers are now getting quite interested in ***Yom Teruah***. This feast or divine appointment is due to come into its ultimate fulfillment on ***Tishri 1*** in the Fall season of some future year. 85% research the feast under the name ***Rosh Hashanah***, and 14% use the name ***Feast of Trumpets***. These names take us no further in our search for the meaning and purpose of the feast. Only 1% of the Google searches come in using the name ***Yom Teruah***. But a search of the meaning of the Hebrew ***word Teruah*** brings us a host of clues to the meaning of the ***feast Yom Teruah*** and further Biblical leads to its message. And as we dig deeper into this matter we soon come to a rather somber conclusion.

***The
Mystery
of the
Teruah.***

“Study to shew thyself approved unto God,
a workman that needeth not to be ashamed,
rightly dividing the word of truth.” 2 Timothy 2:15

Yom Teruah is more than just an annual Jewish new year celebration with traditions like dipping apples in honey and saying, “Have a sweet new Year”.

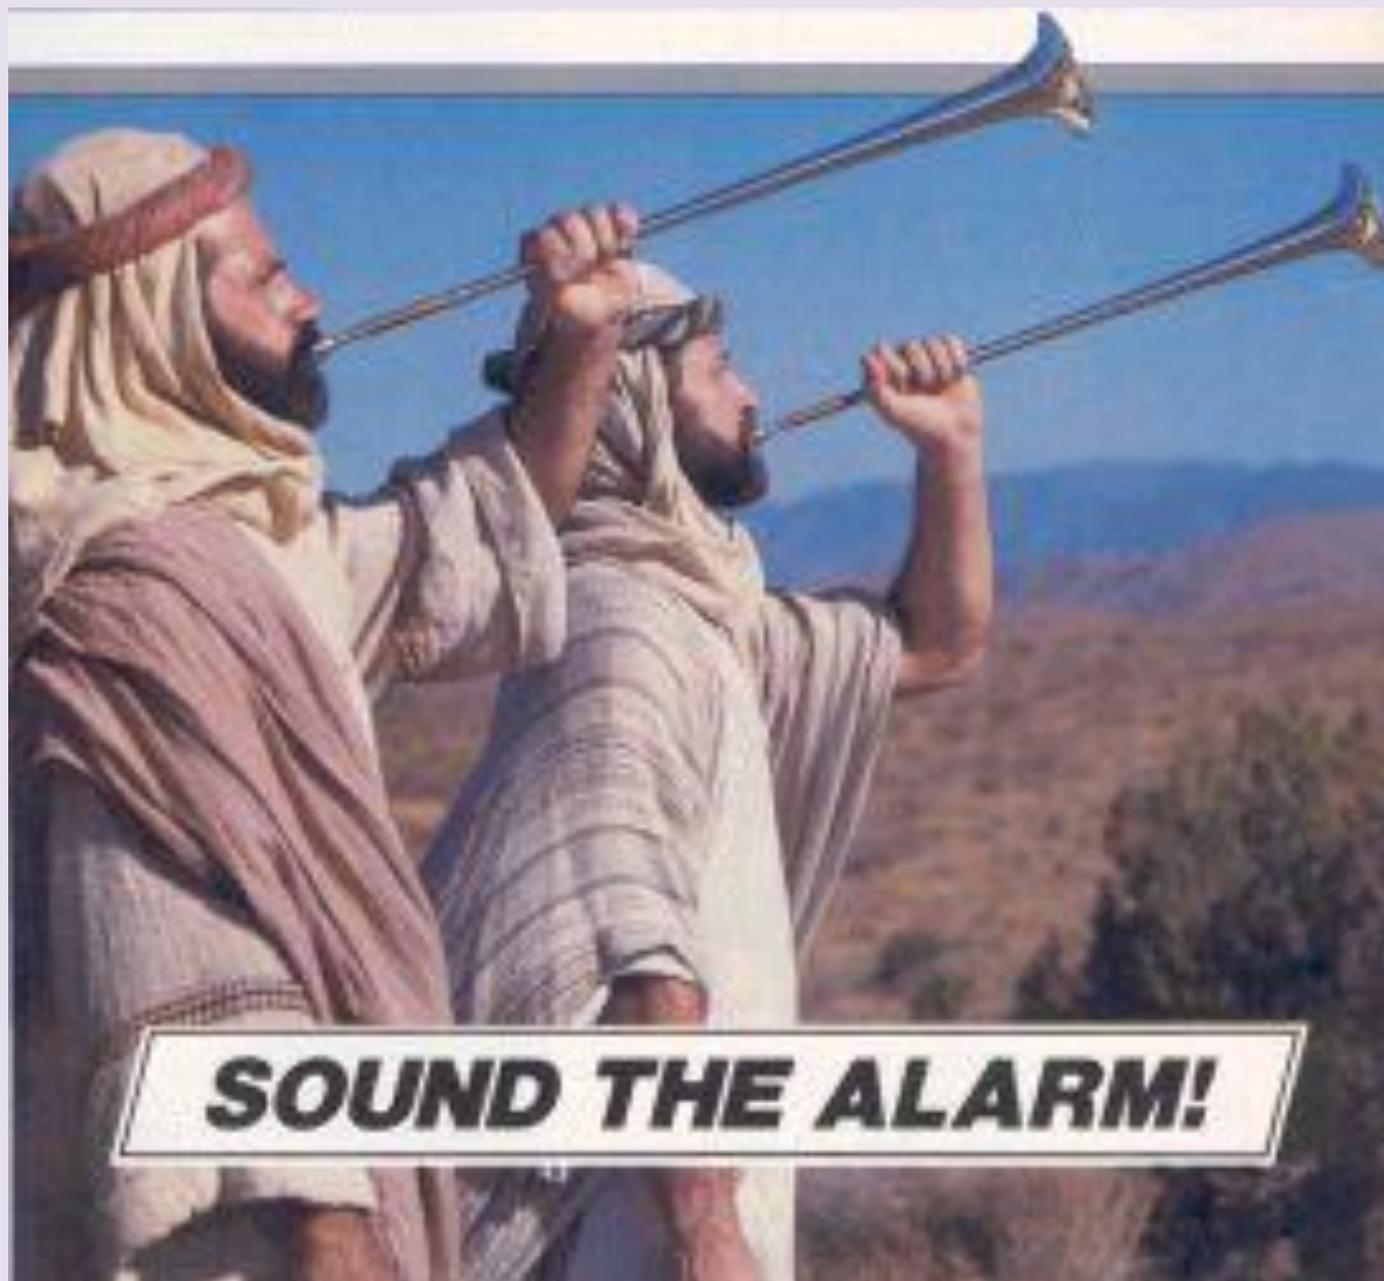

In the Autumn season of some future year in the midst of tumultuous times the *Feast of Trumpets* is destined to send a very important signal to God's covenant people all across this world.

It seems that the divine appointment *Yom Teruah*, the *Feast of Trumpets*, is set to herald an epic prophetic event that is yet to unfold. It is a ticking clock. And on an awesome day yet to come this moed or feast or holiday will in fact become *an alarm*.

(here show video of ticking clock with alarm sounding at midnight.)

SOUND THE ALARM!

A musical appreciation of the Teruah agrees with our etymological word study. *The Teruah shofar sound* carries with it a very distinct signal. It has been and continues to be a herald for epic events. *The Teruah* is a highly broken *staccato trumpet sound* conveying a powerful *message of alarm*.

THE TERUAH

It penetrates the soul like a jangling ***ALARM CLOCK*** going off. The message goes it brings is very clear. It is, “Wake up! Pay attention”.

Elements of *the Teruah* are still with us today in our military bugle calls. The staccato sound of *the Teruah* is *an alarm, a warning, and a call to muster.* The message in the Teruah trumpet sound is very clear and direct. It is a *summons to assemble before an authority for further instruction.*

And when that lone watchman,
often in peril for his life, blows
the *trumpet of alarm* it always
has been and always will be the
sharply chopped notes of *the*
Teruah that sound out as a
warning or *an alarm*.

The ***Feast of Trumpets*** or ***Yom Teruah*** comes on the ***first day of Tishri***. ***Tishri is the 7th month*** as counted out from the Nisan Passover moon. So ***Yom Teruah*** comes on the ***new moon of Tishrei***. ***Trumpets*** is the only one of the ***seven divine appointments*** that occurs on a ***new moon***.

The ***new moon*** points to the strong possibility that when those ***Teruah trumpets of alarm*** are blown something dark and sinister will have just come to light. And in a future Fall season on the ***new moon*** of Tishri people all around this world will wake up to discover that a mega-event of world-wide significance, an event never ever seen before, has just happened.

Something veiled and previously hidden will make its dramatic emergence onto the world scene. A global megadeal that was prophesied by the prophet Daniel over 2550 years ago and has been in the planning stages for some time, will erupt into world history.

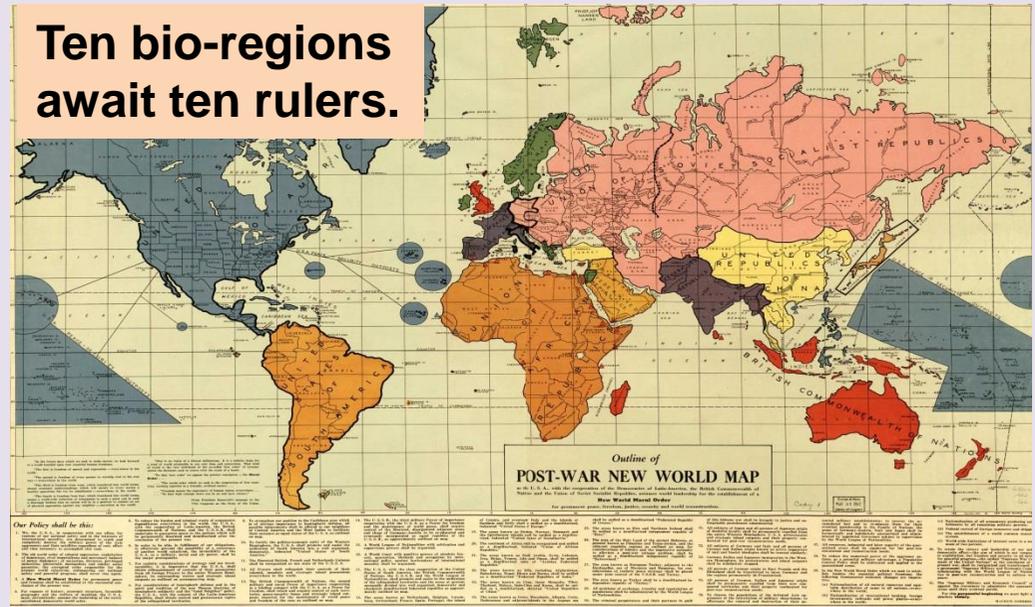

Daniel 9:27 And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

So this feast, occurring as it does on a ***new moon***, provides us with another clue, and an opportunity for us to connect the dots. And as we ponder the ramifications of the future confirmation of that seven year covenant referred to in Daniel 9:27 we can see that there is an unseen story here that must break out at some point with ***an alarm!***

Students of the Bible know that the future **70th Week of Daniel** and the final 7 years of this age will be initiated by the **confirmation** of a **seven year “covenant with many”** and brokered by a certain “prince”. That **7 year covenant** is clearly outlined for us in **Daniel 9:27**.

The **70th Week of Daniel**

So what kind of a man will this coming prince be? In ***John 5:43*** Jesus declared that He came in His Father's name and His people rejected Him. He said that this man will “come in his own name” and His people will receive him. So Israel and the Western nations will try to resolve their collective sovereignty crisis and make their bid for global peace and security by confirming a seven year covenant with a godless narcissistic self-worshipping Luciferian. If there is ever to be an epic ***awakening and a revival*** of the covenant people of God then this day will certainly be the one that calls for it.

John 5:43

“I have come in ***my Father's name***,
and you do not receive me.
If another comes ***in his own name***,
Him you will receive.”

There is a massive campaign of disinformation by religious spirits of error swirling around and crashing against the last verse of the seventy weeks prophecy, Daniel 9:27. Full preterists and partial preterists along with Reconstructionists, Dominionists, SDA Historicists, and Kingdom Now Post Millennialists are in a frenzy trying to make the whole ***future 7 year period*** “go away”.

But the Biblical truth is has never been in any dispute among faithful Bible scholars who know the Bible and know the God of the Bible. The starting gun for the final seven years will be the confirmation of this seven year covenant between a “prince” who is a *false messiah* and “many”.

A 7 year period of trial and tribulation for Christians is out there somewhere in our future. Most Christian believers have not been made aware of this. Those into the social gospel have no interest in the end-time issues. Dominionists have just been told that they will take over the world and not to worry about anything written in the Bible, just listen to the apostle or prophet. Dispensationalists, while they do know about this final 7 year period of trial and witness have been told that they will be raptured “outta here” before those 7 years begin. Post-Tribbers are split between survivalists and those who have resolved to enter the arena and go up to witness in the latter days, come what may.

An epic progression of world history into a ***New Global Order*** is up there in our future. Initially it will be ruled by a ***harlot religious system***. This will necessitate a historic parting of the ways for those who are committed to the God of Israel in holiness and those who are not.

John the Apostle was the only disciple of Jesus who was not martyred. It is said that his persecutors tried to boil him in oil, (apparently without success). So they exiled him on the Island of Patmos. There he saw visions of the latter days and wrote the book of the Revelation, the Apocalypse or unveiling of Christ. The Book of Revelation is a prophecy of the latter days. Caught up in vision John saw a divine court case with the Ancient of days presiding over end-time events. In visions he saw two women, one in [John 17](#) and the other in [John 12](#). Thanks to some Biblical Christian artists like Pat Marvenko Smith at RevelationIllustrated.com and others we can get some idea of what he saw.

Revelation 12

Revelation 17

Most Bible teachers will never teach about the harlot religious rule during those first 3.5 years. The reason for the news blackout on John's vision of *Revelation 17* is obvious. The harlot now ruling does not want to see herself exposed in the latter days. But we have already seen Nicolaitan religious rule all through the history of the Dark Ages and Middle Ages. So if the first attempt at man-centered global governance, (read government), will be based upon compromised apostate religion we should not be surprised. This religious humanism, like miry clay, will be backed up by a relentless iron-like imposed public security. The harlot will slip in to take the reins of dominion for the first 3.5 years of those final 7 years.

Revelation 17

³ So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. ⁴ And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: ⁵ And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. ⁶ And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

And so the question is asked. Might this be cause for the blowing of *trumpets of alarm*?

Perhaps something like *the Teruah* for example? And if so then *why* will God be appointing His watchmen to sound the *Teruah of alarm*? Why will they be blowing the shofar on that day? For what purpose?

We'll discuss this more fully when we examine Joel's prophecy in chapter 2 which describes that epic future *Yom Teruah*.

Blow the trumpet in Zion!

Sound
an alarm
in My holy mountain!

Let all the inhabitants of the land tremble;

The day of the LORD
is coming,

Behold, it is at hand.

joel two verse one

www.alittleopen_perspective.com

God's instructions to His people when they are oppressed by enemies are to "**blow an alarm** with the **trumpets (plural)**". Then they will be **remembered** before God and He will intervene on their behalf. So here again with the sounding of **the Teruah trumpet of alarm** we have this element of **remembrance** which, God willing, we shall discuss in another study.

Numbers 10:9 (KJV)

⁹ And if ye go to war in your land against the enemy that oppresseth you, then ye shall ***blow an alarm with the trumpets***; and ye shall be ***remembered*** before the LORD your God, and ye shall be saved from your enemies.

So what is the message being conveyed in *the Teruah* trumpet blast? And what is the meaning and purpose of *Yom Teruah*? As we can see, it is not a shofar blast of finality and closure at all. Rather it is a shofar blast of *alarm* to wake up God's covenant people to begin to attend to something important.

YOM TERUAH

**“Blow the Shofar in Tziyon
for the Yom/Day of יהוה is near”**

Joel/Joel 2:1

The Teruah shofar blast is a warning.

It is *an alarm*. From Joel chapter 2
we hear the words,

“Blow the trumpet in Zion! Sound the
ALARM on my holy mountain!”

Joel’s message contains more of God’s
instructions for us for the day when that
epic future *Yom Teruah* opens up.

Blow the trumpet in Zion!

Sound
an alarm
in My holy mountain!

Let all the inhabitants of the land tremble;
The day of the LORD
is coming,
Behold, it is at hand.
joel two verse one

www.alittleperspective.com

In the Fall season of some future year the alarm will sound. So shouldn't we make it a priority to prepare our hearts ahead of time and with all diligence? 5 out of the 10 people here in this company had made spiritual preparation for a night they knew was coming. The wise virgins had an extra reserve of oil to refill their lamp. The others did not. At midnight the lamps began to sputter. All of them began to suffer burnout. The foolish virgins had a serious problem. They had no extra reserve of oil to refill their lamps. And now, as their lamps were about to go out they had come to the end of themselves. Without the oil of God's Holy Spirit and a spiritual resource outside of themselves they had no light to go out into the darkness. They were not able to travel on through that night to meet the Bridegroom at the Marriage Feast. This is a warning for us to be prepared.

Walter Rane

Five of Them Were Wise, by Walter Rane, courtesy Church History Museum

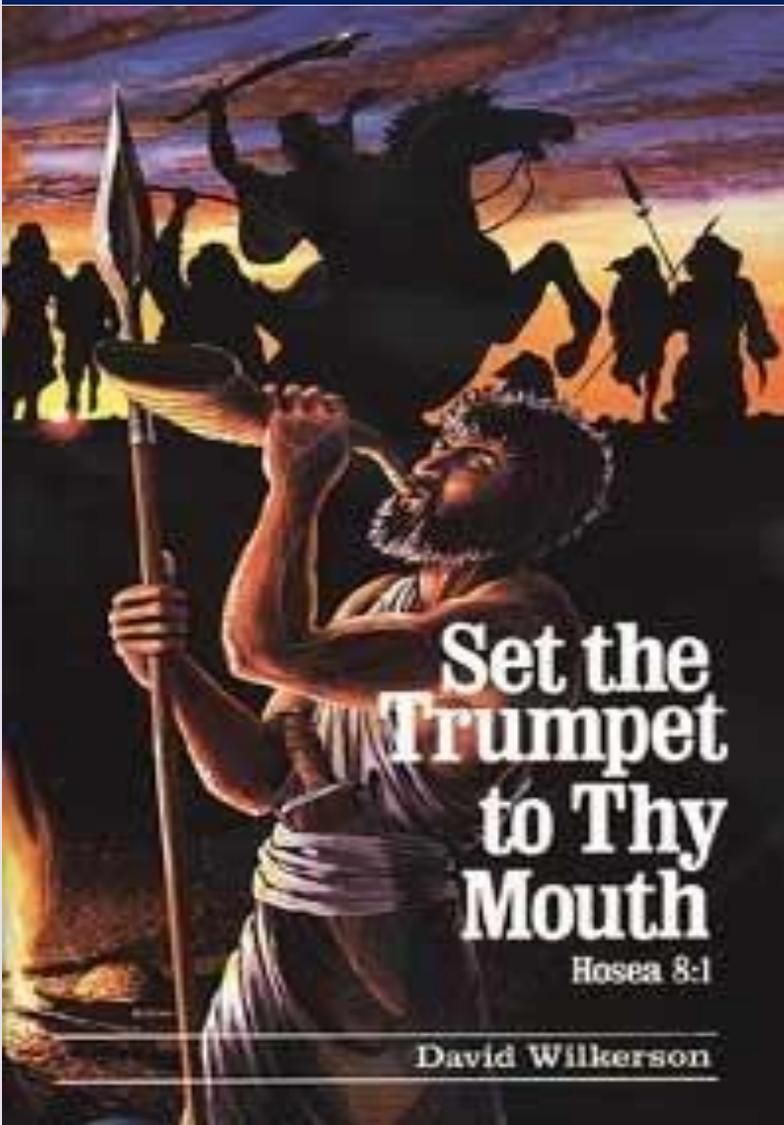

But God's covenant people over in the West are unprepared right now. We are in fact the quintessential *Sleeping Beauty*. And the poisoned apple of seductive soft-sell soporific religion is right there in her mouth. On the new moon of Tishri in some future year the **70th Week of Daniel** will open up. So as we come into the **final 7 years of this age** do we need **an alarm**, a **wake-up call**? Are we in a doped state of forgetfulness? Why do we feud with our Jewish brethren from the House of Judah? Do we remember the Breach of Jeroboam and what we said to the House of David when we walked out? If we are in a deep spiritual coma of amnesia do we need Someone to revive us and help us to remember and to attend to these vital blood covenant family matters? Apparently we do!

And when the **Teruah shofar blast of alarm** is sounded on that future day to remember what should be our response? What are God's instructions for us on this awesome final fulfillment of the **Feast of Trumpets**? Is it to take to the streets? To protest? No! Read Daniel 7 and 12 and Revelation 13. On that future sovereignty crisis there will be no godly sovereign left to protest to, save our sovereign Christ our coming Messiah. The message Joel gives us in **Joel chapter 2** is very clear. Our God will be calling on us to repent and to assemble ourselves together before **HIM**. It will be to consecrate ourselves to Him and Him alone.

“Blow the trumpet in Zion! Sound the alarm on my holy mountain. Call a solemn assembly!

Sanctify a fast. Consecrate the people. Let the priests/pastors/rabbis weep between the porch and the altar.”

The latter days will be a stormy times. The fishers will be hard pressed and the hunters will come.

But through it all God will correct, refine, and minister to His covenant people. Yes, the true saints of the Most High will be tempest tossed.

But through it all they will rise and shine. They will be His witnesses to the ends of the earth for the salvation of many. Yes, these will be days of tumult and tempest. But Jesus Yeshua will be with His people. And just as He did in that former time He will bring His peace, His shalom to His Elect, even in the midst of the storm.

Thanks for watching this video. I invite all who love the God of the Bible to help bring out this inspiring unfolding story of *the Teruah*. We are really just scratching the surface here. Other articles on the Feast of Trumpets and the Fall Feasts of Israel are over at the website
