

The SEVENTY WEEK PROPHECY of Daniel - Part 5 - Chronology

G'day and welcome. Today we'll be taking an excursion into what always was and still is a theological spin zone and battle zone. We'll be heading off on an investigative Biblical study of the chronology of Daniel's Seventy Weeks Prophecy. As we shall discover the first part is a timeline 69 weeks made up of 7 weeks and 62 weeks.

This prophecy of the 70 weeks remains a spiritual battle zone here on earth and also up in the lower second heaven in the realms of the angelic principalities and powers. We shall discover that there is a huge information war being waged here with evil troll-like blocking spirits swirling around the passage of Daniel 9:27 like you would not believe. There has also been a curse placed upon those who would dare calculate the 69 and seventy weeks. So saints, put your spiritual armor on take up the sword of the Spirit of God's Holy Word and lets all be prayerful and watchful as we go out on this study.

Understanding of mysteries comes from devotion to God

When God came down Jacob's ladder and entered the space-time of our cosmos He spoke in parables. When His disciples asked Him why He did not speak openly Jesus told Them it was not for the profane crowds to know the great hidden secrets of the Kingdom.

But to those who come to Him in repentance and with a meek and humble heart and receives Messiah into their heart and life God brings His Revelation. ,And the essence of that revelation is a Revelation of Himself. It was John who brought us this profound truth in Revelation 19:10

“The testimony of Jesus IS the essence of prophecy”

So God is no respecter of persons or personages.

He unfolds His Holy Word and the meaning of Holy Scripture to those who love Him and seek His face on the deeper issues

The 69 Weeks Timeline

= 5,888 moons
plus 8 days

In a subsequent video shall be looking more closely at the lunar cycles as they measure out the 69 weeks. The fact that 173,880 days was 5,888 moons plus 8 days is very telling information. It means that IF the appearance of Messiah the Prince on Palm Sunday came on the 10th day of the Nisan moon in 32 A.D. then the Decree of Artaxerxes in the month of Nisan 476 years earlier must have come on $10 - 8 = 2$ or the second day of Nisan plus or minus a day or so. This lunar data confirms the timeline of Sir Robert Anderson. It also upholds his suspicion that the edict came on the new moon of Nisan, (he said Nisan 1), 445 B.C..

Can the baptism of Jesus satisfy the Dan. 9:25 prophecy and end the 69 Weeks? It too specifically calls for a decidedly **political** appearance of Jesus as “**Messiah the Prince**”?

But this is incorrect. We are told by Luke in Luke 3 that the ministry of John the Baptist began in the 15th year of Tiberius.

John the Baptist Begins His Ministry

Luke 3

¹ Now in the **fifteenth year of the reign of Tiberius Caesar**, Pontius Pilate being governor of Judea, Herod being tetrarch of Galilee, his brother Philip tetrarch of Iturea and the region of Trachonitis, and Lysanias tetrarch of Abilene, ² while Annas and Caiaphas were high priests, **the word of God came to John the son of Zacharias in the wilderness.** ³ And he went into all the region around the Jordan, preaching a baptism of repentance for the remission of sins,

Luke 3

²¹ When all the people were baptized, it came to pass that Jesus also was baptized; and while He prayed, the heaven was opened. ²² And the Holy Spirit descended in bodily form like a dove upon Him, and a voice came from heaven which said, "You are My beloved Son; in You I am well pleased."
