

God's End-Time Business Deal - Then and Now.

God's Complete End-Time Business Agenda

70 Weeks...
have been decreed for Your
people and Your holy city
Daniel 9:24

1. To finish the transgression
2. To make an end of sin
3. To make atonement for iniquity
4. To bring in everlasting righteousness
5. To seal up vision and prophecy and
6. To anoint the most holy place.

Peter asks Jesus a question, -a personal business detail.

**Jesus, how many times
must I forgive my brother
when he sins against me?
Up to seven times?**

Jesus refers back to the Seventy Weeks Prophecy

**No Peter,
I do not say to you,
up to seven times,
but up to
Seventy times Seven**

Peter is somewhat taken aback by this.

**Seventy times
seven! Do you
mean I am to go on
forgiving those who
sin against me right
up to the very end
of the age?**

Perhaps Jesus reminded Peter of the commission

Peter, the commission given to us as God's covenant people in Isaiah 49:6 is not just a small personal matter. It is a global calling, --with Him. To be "a light to the Gentiles", to "take My salvation to the ends of the earth."

Peter is somewhat taken aback by this.

Jesus, that is a huge operation to lay on us. The world out there is a howling wilderness. There is great wickedness there at the world's end. How can we possibly operate in the midst of all that?

Perhaps Jesus reminded Peter of their awesome God.

Peter, have not God's covenant people faced impossible odds before? And were they not carried "on wings of eagles" across the Red Sea back at the Exodus?

Peter may have entertained these thoughts.

**Well, that Exodus
was a long time ago.
And look at us now,
the lone remaining
house of Judah,
sorely oppressed,
by the Romans.**

The prophet Jeremiah speaks of a **Second Exodus**

“It shall come to pass in that day
That the Lord shall set His hand again
the second time To recover the remnant
of His people. He will set up a banner
for the nations, assemble the outcasts
of Israel, and gather together the
dispersed of Judah from the four
corners of the earth.” –Isaiah 11:11

Perhaps He reminded Peter of their awesome God.

**Peter, did not God's
called-out people sing
of a God of wonders?**

**“Who is like unto you,
among the gods,
O LORD, . .**

**Majestic in holiness.
Fearful in praises,
Awesome in splendor,
Performing wonders!”**

And now, ***Christian businessmen*** are meeting with Jesus

Jesus! Hey, great job back there at Calvary. Glad to hear “it is finished”! Those 69 Weeks are all wrapped up. If we are born again then our contract is complete, right? So, we can be outta here, anytime now, eh?

Jesus gets straight to business, with the businessmen

Not so fast, Bob. Your commission, or as you say, *your “contract”*, does not just involve the 69 sevens, but all Seventy Sevens. Your witness will go on into the future 70th Week. The events of the final 7 years will complete God’s check-off list.

The Christian businessmen are taken aback.

But Jesus, we have been told that the “age of grace” ends before that final 70th Week. Then the world “spins out of control.” Those final seven years are just a chamber of horrors! Surely, we can’t be there!?

Jesus reviews “the contract” with the businessmen

Well Bob, lets review your commissioning papers. Open up that Great Commission document there in Matthew 28. Call in your company lawyer if you like, and he will point out when your commission expires.

The businessmen worry about how the deal will go down.

But Jesus, if we are to enter the end-time arena what hope do we have of achieving any real success?

With the restrainer, the Holy Spirit, “taken out of the way”, what viable witness can our company be expected to deliver?

The businessmen hear of the ever-present Holy Spirit

Bob, the Holy Spirit is not the restrainer. He's not the jailer of the beast demon of the Abyss. The angel Gabriel in Dan. 10:21 reveals the true identity of that divine being. He is that prison guard.

They begin to learn, and to ***unlearn*** some things.

**Well, our Bible
prophecy teachers
told us that the
Holy Spirit would
be “taken out of
the way”.**

The businessmen hear of the ever-present Holy Spirit

**Well, that's just not true, Bob.
The Holy Spirit is a Person
within the triune Godhead.
He is omni-present across
time and space, throughout
this universe, --and beyond.
He would NEVER desert
God's covenant people!
I can assure you, that was
NEVER in the deal!**

The businessmen begin to learn, and to ***unlearn*** some things.

**Yes, I remember now.
In Psalm 139 David said,
“Where can I go to
escape Your Spirit? If I
ascend to the heavens
You are there. Even if I
make my bed in Sheol
You are there. Your right
hand will hold me fast.”**

The businessmen are assured of their Holy Spirit covering.

Yes, and why would I send you the Holy Spirit, only to see Him pulled out during the end-time, --just when He is most needed? That flawed doctrine misrepresents My character. Then too would I send you out on a mission impossible?

The businessmen still worry about how the deal will go down.

Well, if we are to go forward with this contract, we shall need all the support we can muster. Also gather as much positive info as we can to improve our flagging morale.

Jesus reminds the businessmen of the *true Latter Rain*

Bob, you will be provided with the true and genuine Latter Rain Holy Spirit outpouring. This will power up to a glorious climax, peaking at the end of the age with the TRUE blood moon. This is AFTER the tribulation, as I have stated. The prophet Joel speaks of these three cosmic signs.

The businessmen confess their fears of things to come.

**That is re-assuring.
But this is a deadly
serious, even fearful
business.**

The Presence of the Holy Spirit is spoken about.

Bob, the Holy Spirit is your Comforter, Strengthener, and Guide. When you have experienced His Presence, even in times of trial, all your questions will be answered.

The businessmen still worry about how the deal will go down.

**So how can the deal
be finalized and this
end-time witness
brought to a
successful
outcome?**

Jesus charges the businessmen to walk by faith

Bob, you are going to have to walk this out by faith. The kings of the West will desert you. But My banner will be lifted up before the nations. I am the Vine. Abide in Me. The Valley of Achor, or trouble, will become “a door of hope.” “I will keep you, preserve you, in, through, and out of, your hour of trial.”

The businessmen worry about blood covenant issues.

Thank you so much for your words of encouragement. But the fact is, this “deal”, errr, this “contract”, is beginning to take on the character of a bridal or military style “blood covenant”.

Jesus gives His assurance to the businessmen

Yes, and implicit in the everlasting blood covenant of the Father, is His lovingkindness, His strong right hand forever reaching out to save, and to deliver.

They begin to get the picture, - and take a resolve.

Thank you for your trust in us, for your Word of affirmation, and your prayers. We'll need that extra oil of the Holy Spirit from outside ourselves to recharge the lamps at the midnight hour. We'll be moving on out now.

Jesus gives His encouragement to the businessmen

Fear not. You and your company were born for such a time as this, even to proclaim My Kingdom, until I return. As prophesied, you will be a *“light to the Gentiles”*. Your witness in my Harvest Field will see “My salvation taken to the ends of the earth.” And as stated in your commission, “I will be with you, --even to the very end of the age.”
